He is also actively involved in key areas like procurement of raw materials, marketing of finished products and other commercial activities besides heading the finance department of the Company.

The Board, therefore, in the overall interest of the company, recommend his appointment as Executive Director (Fin) & C.F.O. for a further period of 2 years with effect from 1st August, 2019.

None of the Directors except Shri M.G. Sharma himself, is concerned or interested in this resolution.

ITEM NO. 5

The Company has received a notice u/s 160 of the Companies Act, 2013 from a shareholder along with a necessary deposit, as required under the provisions of the Act, proposing the candidature of Smt. Manjoo Sardana as a director of the Company. The Company has also received her consent to act as a Director of the Company u/s 152(5), Notice of Interest u/s 184 (1) and declarations u/s 164(1) & 164(2) of the Companies Act, 2013. She is not related to any of the Directors of the Company under the provisions of the section 2(77) of the Companies Act, 2013.

She being a Non- Executive Director shall be liable to retire by rotation. She will be paid sitting fee, reimbursement of travelling expenses and commission on profits, as payable to other Non-Executive Directors of the Company, as per the rules of the Company and in consonance with the provisions of the Companies Act, 2013 read with rules made thereunder as amended time to time.

Smt. Manjoo Sardana is Science Graduate and an experienced entrepreneur with sound business background. She is involved in philanthropic activities in the field of education and healthcare etc. She brings with her diverse experience and skills in various fields which will further strengthen the composition of the Board of Directors of the Company. She will play an active role in guiding the future growth of the Company.

She does not hold any other directorship & holds 15,12,966 shares of the Company.

None of the Directors except Smt. Manjoo Sardana herself, is concerned or interested in this resolution.

ITEM NO. 6 & 7

S. Ranbir Singh Seehra, a renowned industrialist, has been appointed by the Board as an Additional Non Executive Independent Director to hold office till the conclusion of this Annual General Meeting and requires the approval of shareholders in the AGM for his regularization as the Non-Executive Independent Director of the Company. S. Ranbir Singh Seehra is having long experience of over three decades in manufacturing administration, management and commercial activities. He is presently working as Chief Executive Officer of M/s. GNA Axles Ltd. which he has steered to higher growth trajectory in the last couple of years.

Smt. Ruby Agrawal, a business person, has also been appointed by the Board as an Additional Non Executive Independent Director to hold office till the conclusion of this Annual General Meeting and requires the approval of shareholders in the AGM for her regularization as the Non-Executive Independent Director of the Company. Smt. Ruby Agrawal is an MBA from a renowned University and is presently working as Senior Managing Partner of growing I.T. Company at Udaipur. She has rich experience in the business administration and IT sector. Her induction of the Board, she will further strengthen the composition of the Board.

In terms of Section 149, 150, 152 and any other applicable provision of the Companies Act, 2013 and rules made

thereunder (including any statutory modification(s) or re-enactments thereof for the time being in force) read with Schedule IV to the Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, for being appointed as Independent Directors for a period of 3 years and shall not be liable to retire by rotation.

The Independent Directors have confirmed that they are not disqualified in terms of Section 164 of the Act read with rules made thereunder and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, for being appointed as Independent Director of the Company.

In opinion of the Board, the Independent Directors proposed to be appointed fulfill all the conditions specified in the Companies Act, 2013 and the rules made thereunder and are independent of the Management. The terms and conditions of appointment of the independent directors are available for inspection by members at the registered office of the Company and are also available on the website of the Company.

The Board considers that their association would be of immense benefit to the Company. Accordingly, the Board recommends the appointment of the Independent Directors and propose to pass the resolutions set out in item no. 6 & 7 (both inclusive) respectively.

Save and except the Independent Directors and their relatives to the extent of their shareholding interest, if any, in the company with regard to their respective appointments, none of the other Directors/Key Managerial Personnel and their relatives are in any way, concerned or interested, financially or otherwise, in the resolutions set out at item no. 6 & 7 (both inclusive).

ITEM NO. 8

The Board considered the fact that the Company is in expansion mode and may require additional funds in future for its upcoming expansion projects. The Company does not have much borrowing at present. However, it may, from time to time, require additional borrowing/ financing from various Banks/ Financial Institutions or other Lenders, as may be considered appropriate or competitive. Further, the Company continuous to optimise its cost of funds & some banks/ financial institutions offering better/ competitive rates, require additional/ collateral security. The company may, therefore, require to create Hypothecation/ Mortgage of all/ some of its moveable and/or immoveable properties of the Company, to meet the requirement of Banks/ Financial Institutions / other Lenders.

The Directors, therefore by way of abundant caution, decided to seek necessary approval of the shareholders u/s Section 180 (1) (a) the Companies Act, 2013 in the ensuing Annual General Meeting.

None of the Directors and Key Managerial Personnel of the Company or their respective relatives are concerned or interested in this Resolution except to the extent of their shareholding in the company.

ITEM NO. 9

The Board, on the recommendation of the Audit Committee, has approved the appointment and remuneration of the Cost Auditors to conduct the audit of the cost records of the Company for the financial year ending March 31, 2020.

In accordance with the provisions of Section 148 of the Act read with the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the Cost Auditors as recommended by the Audit Committee and approved by the Board of Directors, has to be ratified by the members of the Company. Accordingly, ratification by the members is sought to the remuneration payable to the Cost Auditors i.e. Audit fee of ₹ 80,000/- (as per Previous Year) plus applicable taxes and reimbursement of travelling/other out of pocket expenses (if any), for the

financial year ending March 31, 2020 by passing an Ordinary Resolution as set out at Item No. 9 of the Notice. None of the Directors / Key Managerial Personnel of the Company / their relatives are, in any way, concerned or interested, financially or otherwise, in the resolution.

MANAGING DIRECTOR'S SPEECH

Dear Fellow Shareholders,

Despite the cheapest Internet downloads and a whopping 85% jump in consumption of online and digital news capsules and fake news entertainment, the English newspaper readership grew by a marginal 10% in the past 5 years while Hindi readership grew by over 35%. Even the regional papers grew by more than 7%.

As the new government with more stability is now focused on improving healthcare, literacy levels and women's empowerment for every next person who is at the bottom of the pyramid, we at Sukhjit are READY to feed and service this NEW Literate Quality conscious Indian, who wants to pay a PREMIUM.

But in our boardroom when we discuss and pretend or assume the demands of today's NEW Literate Quality conscious Indians, every time we conclude on innovative solutions to meet the changing customer demands.

How is the everyday life of the common man changing with the rise of technology? With changes in lifestyle, sleeping habits and diets, every next Indian needs products with longer shelf-lives. The daily fiber or nutrient intake levels of our masses is much below the recommended global average.

We deliver meaningful solutions to our end-users but at a premium for the value addition we bring along.

India is the world's largest democracy with a demographic dividend that makes her home to the youngest population across the world. This growing population puts us, as a country, in an enviable position but this requires quality food and nutrition. Our kids require high nutrients to compete with international students. With limited natural resources and the vagaries of the nature, it is necessary to optimally use our natural resources to cater to the needs of our growing population. And I am sure the steps your company is pursuing will definitely help us in achieving the goals of sustainable agriculture.

There are over 50 types of milk shakes, mocktails and cold drinks available in the general stores across our small town, leaving aside the metros. The demand for such products grew in high double-digits in the past 3 years. The food packaging industry is getting into the interiors now, exciting the first time-users. States like Maharashtra have seen huge jump in demand of quality paper packaging products after the recent ban on plastics. The same is going to replicate in Punjab, Gujarat and UP very soon. Textile was the only sector which was not able to remain at the same level in the past few years.

We have tried to improve the quality of our offerings by bringing in more transparency and ethical business practices, which are solely focused on consistently, improving the quality of our offerings. We have always believed that trust comes automatically if we do this in our B2B business. I still believe customer understanding drives the coming year's profit. We use market research to understand the dynamics of customer behavior. We use this insight to develop new products so that we remain different from our competitors.

Despite this, for sustainable long-term growth, our strategy to offer MNC quality at Indian prices will continue.

I believe that a satisfied customer is the best business strategy of all.

As our previous MD said in the annual report last year, we at Sukhjit need to reinvent ourselves. These all are the trigger points for our confidence. Trust me, this confidence is not something that happens overnight. We have been working on it for a long time now.

I look into the mirror and do the following affirmations :

Having started in 1944, went through many ups and downs. But today's challenges are different.

At Sukhjit, what we have done in the past 75 years is focus on only ONE thing: To improve the Happiness index of the common man with our quality products to our customers.

We believe we can successfully grow our business and have a positive impact on the society we live in if :

Our purpose is to improve the lives for generations.

Our purpose is to inspire and inform our customers on what we do.

Our motivation makes us strive to do better every year.

If our purpose is our passion and if it's in our DNA.

I personally believe that our agri and food processing sector is far below its potential as our crop yields are below the global average despite high absolute output.

Please look at the following numbers :

COUNTRIES	AREA IN MILLION KM ²	MAIZE PRODUCTION IN MILLION BUSHELS	POPULATION GROWTH RATE (YEARLY)
USA	9.834	14420	4.27%
CHINA	9.597	10131	0.35%
BRAZIL	8.516	3720	0.72%
ARGENTINA	2.78	1811	0.92%
UKRAINE	0.604	1398	-0.49%
INDIA	3.287	1024	1.08%
MEXICO	1.973	1008	1.20%

If we study these macro data carefully, we will understand the REAL potential of this cyclical, challenging but the interesting industry.

If the government bid to improve the farmers' income to succeed, more long- term measures and handouts for a sustainable solution are needed. Let me tell you that maize is now a new wonder crop. It uses less water but brings more price realization per acre for our farmers. There is a substantial change in crop pattern sowing in the past few years. Farmers were rewarded last year by at least 35% appreciation in prices. This year also I believe that farmers will get at least 15% increment on moving average basis.

We're raising the bar across everything we do to continue to accelerate our growth, improve productivity, and empower the organizational culture to deliver sustained, strong performance in a challenging environment. The overall outlook remains positive for the consumer goods industry in the coming year. With growing disposable income, rising urbanization and the exponential growth of e-commerce, we expect our business to grow and we will continue to delight our consumers with superior products and value propositions.

Results :

I am pleased to report that your company has delivered a strong performance in the year to March 2019 with higher profit and EPS.

We could maintain high cash generation leaving us a robust balance sheet despite increase in debt, providing flexibility to support future growth.

I am pleased to announce that the company has paid a dividend of ₹ 7.5 per share apart from a 1:1 bonus issue. This reflects the Board's confidence in the business, while at the same time continuing to rebuild dividend sustainability.

Looking ahead, the Board remains committed to a progressive policy of growing our dividend taking into account the earnings prospects and investment needs. We promise that in every business scenario, we will follow our core values of hard work, integrity, team work and social commitment.

For SUKHJIT, sustainability means making every day better for people through how we innovate and how we act. Your company has continued to impact the communities around its plants in a holistic manner throughout the year gone by. With thanks, I offer full credit for the last year performance to the Sukhjit FAMILY.

As we conclude another year of our commitment to farmers, I take this opportunity to thank our valued customers, stakeholders, suppliers, business associates, shareholders, bankers and above all, my colleagues in Sukhjit for the unstinted support.

Lastly on behalf of the Board I once again remember our previous MD and my brother, philosopher and guide for his contribution for the growth of our company as well as the starch industry. I must also use this opportunity to tell the fellow shareholders that his contributions were invaluable till last despite some health issues.

Yours Sincerely,

K. K. Sardana

MANAGEMENT DISCUSSION AND ANALYSIS

Global Outlook

The world economic outlook projects a decline in growth in 2019 for 70 percent of the global economy. Global economic growth, which peaked to close at 4 percent in 2017, softened to 3.6 percent in 2018, and is projected to decline further to 3.3 percent in 2019. The decline in growth relative to 2018 reflects lower growth in China and the recession in Turkey, with an important carryover from weaker activity in the late 2018, as well as a deepening contraction in Iran.

While 2019 started out on a weak footing, a pickup is expected in the second half. This pickup is supported by significant policy accommodation by major economies, made possible by the absence of inflationary pressures despite closing output gaps.

Note : Growth rates are based on 58 world's major economies covered by Euromonitor International Macro Model

With improvements expected in H2 of 2019, global economic growth in 2020 is projected to return to 3.6 percent. Beyond 2020 growth will stabilize at around 3.5 percent, bolstered mainly by growth in China and India and their increasing weights in world income. Growth in advanced economies will continue to slow gradually as the impact of US fiscal stimulus fades and growth tends toward the modest potential for the group, given ageing trends and low productivity growth. Growth in emerging market and in the developing economies will stabilize at around 5 percent; though with a considerable variance between countries as subdued commodity prices and civil strife weaken prospects for some.

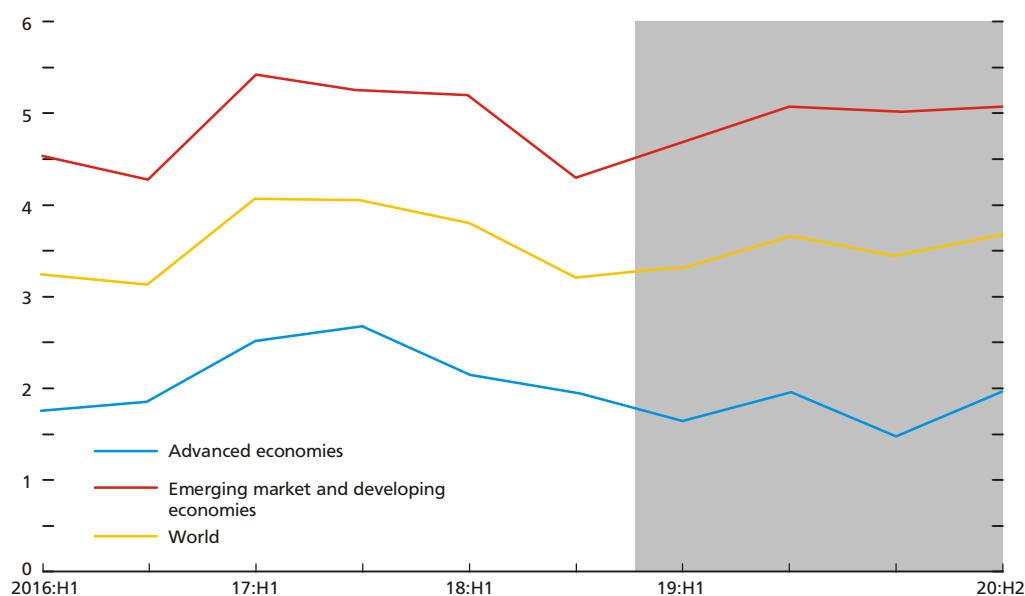

ANNEXURE 'A' TO THE DIRECTORS' REPORT

Across all economies, the imperative is to take actions that boost potential output, improve inclusiveness, and strengthen resilience. Consumer and industrial activity in both the US and China slowed in April, even before the world's two biggest economies entered the latest phase of an escalating trade war that could take a bite out of global growth.

The Trump administration's decision to increase tariffs from 10 to 25 percent on \$200 billion worth of Chinese goods could not have come at a worse time for corn farmers. After this announcement, corn farmers are watching commodity prices decline amid ongoing tariff threats, even while many can't get to spring planting because of wet weather. Trade disputes and tariffs, devastating weather conditions, stagnant farm incomes, crumbling infrastructures and EPA waivers to oil refiners have all combined to create a perfect storm for agriculture.

Indian Outlook

In India, growth is projected to pick up to 7.3 percent in 2019 and 7.5 percent in 2020, supported by the continued recovery of investment and robust consumption amid a more expansionary stance of monetary policy and some expected impetus from fiscal policy. Nevertheless, reflecting the recent revision to the national account numbers that indicated somewhat softer underlying momentum, growth forecasts have been revised downwards by 0.1 percentage point for 2019 and 0.2 percentage point for 2020, respectively.

ANNEXURE 'A' TO THE DIRECTORS' REPORT

Our labour force is expected to touch 160-170 million by 2020, based on rate of population growth, increased labour force participation, and higher education enrolment, among other factors, according to a study by Assocham and Thought Arbitrage Research Institute.

Our foreign exchange reserves were USD 405.64 billion in the week to March 15, 2019, according to the RBI data. Our GDP is expected to reach USD 6 trillion by FY27 and achieve upper-middle income status on the back of digitization, globalisation, favorable demographics, and reforms. The country's revenue receipts are estimated to touch Rs. 28-30 trillion (USD 385- 412 billion) by 2019 end, owing to government measures to strengthen infrastructure and reforms like GST.

India is expected to be the third largest consumer economy as its consumption may reach to USD 4 trillion by 2025, owing to shift in consumer behaviour and expenditure pattern, according to BCG; and is estimated to surpass the US to become the second largest economy in terms of PPP by 2040, according to PwC.

Macro reforms like GST, bankruptcy code, and setting up of inflation targeting framework are very important ones. We have seen an improvement in ease of doing business. Those are all good measures taken by the government.

IMF has pared India's growth forecast for the just-concluded fiscal and the next two years, citing softer recent growth and weaker global outlook, but expects the country to retain its place as the fastest growing major economy. According to IMF estimates, India's economy grew 7.1% in FY19 and is expected to accelerate to 7.3% growth this fiscal and to 7.5% in FY21. All the estimates are 0.2 percentage points less than its previous assessment in January.

ANNEXURE 'A' TO THE DIRECTORS' REPORT

Our agriculture is evolving quickly and our determined pursuit over the past few years to create a strong agricultural foundation to help farmers improve their livelihood is making good progress. The government has been steadfastly pursuing its vision of making farmers the central focus in all activities.

Starch Industry

India's agriculture is at the edge of a potential revolution, one that can take care of the needs of an ever-prospering nation. Corn starch is a carbohydrate extracted from the endosperm of corns and is used for many culinary, household, and industrial purposes. In the kitchen, corn starch is mostly used as a thickening agent for sauces, gravies, glazes, soups, casseroles, pies, and other desserts.

ANNEXURE 'A' TO THE DIRECTORS' REPORT

Currently, around 80% of global corn starch is concentrated in the US States and China, with the US being the largest producer of corn starch. In recent years, affected by the slowing demand, corn starch prices have gone down. Meanwhile, due to lack of downstream market, there was no major breakthrough, leading to some producers in recent years, capacity utilization declined.

In recent years, China has been seeing its corn starch output declining, mainly because of excess capacity and most Chinese companies are operating at 60% capacity now, some small and medium enterprises operating rate less than 50%.

Similarly, affected by raw material prices, Chinese corn starch has no obvious advantage with no competitive access in foreign markets.

Over the next five years, the corn starch market is poised to clip at 4.6% annually in revenue, taking global market to USD 29.20 billion by 2024, up from USD 22.30 billion in 2019.

Maize

Maize is cultivated widely across the world and has the highest production among all cereals. It is considered one of the fastest growing cash crops in the world, becoming the largest component of global coarse grain trade. Maize is the preferred staple food for the 900 million poor, 120-140 million poor farmer families, and about one-third of all malnourished children globally. With changing global food demand and consumer choices, maize is becoming the wonder crop for many countries especially in developing countries like ours.

Maize is the third most important food grain after wheat and rice for Indians. Over half of the country's maize production comes from four states - MP, Bihar, Karnataka and Maharashtra. In spite of the many health benefits offered by maize as a source of high fiber, antioxidants and other vitamins and minerals, major portion of maize is still not being used for human consumption but goes as poultry and animal feed. Availability of value-added maize products on industrial level will ensure better nutritional and livelihood security. Commercialization, promotion, and adoption of maize-based food products will not only ensure higher return to farmers but also generate employment on one hand and improved dietary diversity in food choices to the consumers on the other.

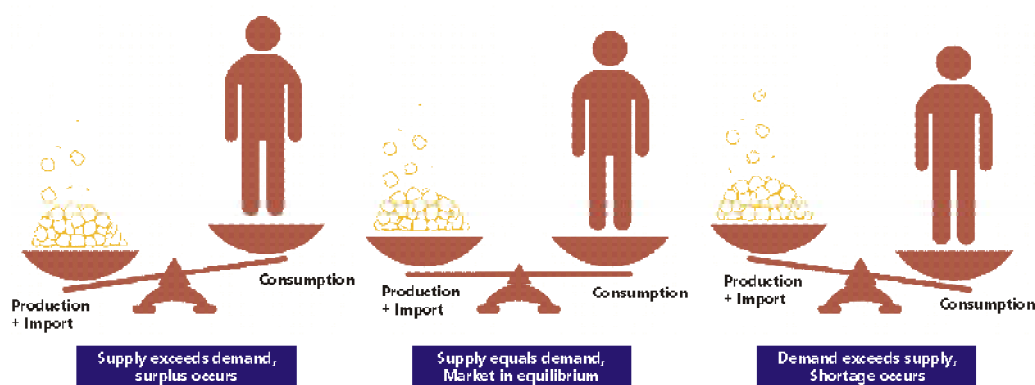

ANNEXURE 'A' TO THE DIRECTORS' REPORT

India is most likely to import coarse corn this year due to a lower production and is likely to import around 1 million tonne, according market sources. India will be importing coarse corn from Ukraine and countries from Southern Africa.

Demand and supply in Maize largely depends upon sowing and harvesting season. Strong demand rises during January to March, whereas strong supply occurs twice: March to May for Winter Maize and September to December for Kharif Maize. Moreover, the crop duration ranges between 90 to 150 days, varies from state to state and variety to variety. Interestingly, it has been observed that poultry farms and feed millers hold stocks for a period ranging from one to two months, depending on their mill capacities, financial strength, and receivables cycle. Usually, they purchase and stock maize during the peak arrival season at low prices. This stock is maintained to tide over the peak price months, and buying for regular requirement continues in parallel.

Starch manufacturers store it for longer durations, sometimes as long as three to four months. To some extent, the role of traditional stockist has been taken over by the trading companies, which normally enter into forward trade agreement with the consumers (say, a poultry farm), purchase and store grains during the peak arrival season. These holding pattern, coupled with sowing and harvesting seasonality are majorly impacting the supply demand equation of maize.

Opportunities

Our 75 years experience is our strength. We are happy that we are associated with the agri sector which is the main means of income for 57% of the rural Indians, Agri sector contributes a fifth of the country's gross value added (GVA).

As reported in the media, especially during the elections, small farmers in some states are not able to get the best price for their produce. Recently, our farmers have been continuously improving their output with hybrid seeds and new technologies. Everybody has observed that government is trying to ensure that farmers' interests are protected through MSP and timely import bans.

But in the past about 15 months, the industry has bought maize at much higher price than MSP. Especially this year, we are expecting to pay more than 15 - 25% more than the MSP. This particular event will have three effects. Some of our competitors will import maize at reasonable prices. Smaller players in the industry will be requiring sufficient cash flow to sustain. Every next big player will invest in R&D for high value products.

Like any other sector of the economy, only happy and rewarded employees will be productive employees. After making handsome profit from the starch and animal feed this year, farmers will invest more money in new technologies and hybrid seeds to grow more maize. In the next two years, we expect 30% more farmers will grow maize or will switch from other crops to maize. Since the industry is in expansion mode, there will be huge demand for maize over the next three years.

In comparison to rice, maize needs much lesser water and our literacy team is working hard on this front. An efficient foodgrain supply and cold storage facilities will ensure that none of the farmers output get wasted in going forward.

The US food giant Monsanto spends \$1.7 billion annually on R&D globally which is much higher than \$1 billion budget for Indian Council for Agricultural Research.

Agriculture forms a fifth of our GDP and has got the potential to double this, provided the government brings out meaningful solutions with long term growth strategies and policy framework. Despite smaller average landholding (0.66 hectares in comparison to India's average of 1.15 hectares), China produces twice the amount of cereals and about four times fruits and vegetables than us. The biggest challenge for our farmers is the lack of access to technology despite interest subventions from banks/government. Hybrid crop varieties that adapt to low rainfalls and poor soil yet offering farmers up to 50 percent more are something not known to our farmers.

ANNEXURE 'A' TO THE DIRECTORS' REPORT

We aim to deliver our ingredients to customers on time, in full and to the right specification, despite the complexities in delivering like ensuring the delivery of multiple ingredients etc.

Safety, quality, traceability and environmental impact are high priorities in our raw material sourcing and production processes at Sukhjit.

We are investing more than ₹ 275 crore in the prestigious project of a Mega Food Park and a new Maize Processing Unit having maize grind capacity of 600TPD with latest automated production line. Spread over 55 acres, the new facility will unleash new marketing opportunities, giving us distinct competitive advantages. Hopefully, the plant will be fully operational by Q3 FY 20.

Our operational excellence initiatives have delivered significant savings & efficiencies and we continue to grow strategically by expanding into new geographies and increasing our capabilities, meticulously catering to the specifications of our customers in food, beverages and feeds. These actions contributed to the improved results we saw in the fourth quarter despite muted margins in some businesses. We are also beginning to see the benefits of our aggressive actions to improve our performance and continue to expect that results will improve as we move through the year.

As we were achieving record results, we were also strengthening our organizational capacity for change and building out the long-term value of our company. Even as strong demand for crops and commodities challenge the supply chain, we continue to capture value for our shareholders.

Our vision is to build on our history of excellence to create a company that continues to evolve with the NATURE and grow adapting to a changing world and to changing customer preferences.

ANNEXURE 'A' TO THE DIRECTORS' REPORT

We are reaching out to more farmers and providing them necessary support for a successful harvest. We also work with several NGOs to focus on holistic development of farmers and rural communities.

As demand for healthier, tastier food with a better nutritional balance continues to grow, we have the potential and opportunity to deliver more benefits not only for our shareholders but also for the society at large, including our customers, consumers, the communities in which we operate, and our employees. Programs are underway to sharpen customer focus, accelerate portfolio development and drive productivity.

During the last 30 years, we have deployed our unique combination of acumen and assets against an exceptional set of opportunities and challenges for delivering reasonable financial results. We are consistently improving operational efficiencies, minimizing consumption of natural resources, water and energy etc. while maximizing production volumes. We plan to adopt new technology and R & D for starch and starch derivative especially in food/nutrition, selected health and few industrial applications like paper and packaging etc.

While we are committed to meeting our financial goals each quarter, we will remain focused on executing our longer-term strategies, which include expanding volumes and diversity of products, expanding our marketing reach and expanding our value-added product portfolio. We want to execute this vision and these strategies by conducting our business in accordance with our core values of integrity, treating others with respect, achieving excellence, being resourceful, displaying teamwork and being responsible.

ANNEXURE 'A' TO THE DIRECTORS' REPORT

Risk Factors

Government policies, mandates, and regulations specifically affecting the agricultural sector and related industries; regulatory policies or matters that affect a variety of businesses; and political instability could adversely affect the Company's operating results.

Agricultural production and trade flows are subject to government policies, mandates, and regulations. Governmental policies affecting the agricultural industry, such as taxes, tariffs, duties, subsidies, incentives, foreign exchange rates, and import / export restrictions on agricultural commodities and commodity products, including policies related to genetically modified organisms, product safety and labeling, renewable fuels, and low carbon fuel mandates, can influence the planting of certain crops, the location and size of crop production, whether unprocessed or processed commodity products are traded, the volume and types of imports and exports, the availability and competitiveness of feed stocks as raw materials, the viability and volume of production of certain of the Company's products and industry profitability.

The Company's operating results could be affected by changes in other governmental policies, mandates, and regulations including monetary, fiscal and environmental policies, laws, regulations, acquisition approvals, and other activities of governments, agencies, and similar organizations. These risks include but are not limited to changes in a country's or region's economic or political conditions, local labor conditions and regulations, reduced protection of intellectual property rights, changes in the regulatory or legal environment, restrictions on currency exchange activities, currency exchange fluctuations, burdensome taxes and tariffs, enforceability of legal agreements and judgments.

The Company's strategy involves expanding the volume and diversity of products it merchandises and processes, expanding the global reach of its core model, and expanding its value-added product portfolio. Government policies, including anti-trust and competition law, trade restrictions, food safety regulations, and other government regulations and mandates, can impact the Company's ability to execute this strategy successfully.

EXTRACT OF ANNUAL RETURN

CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS AND OUTGO

Conservation of Energy

(a) Steps taken or impact on conservation of energy:

The Company continues with its on-going process to conserve / save energy by installing / optimising some key equipments where feasible, after necessary technical appraisal and energy audit, as under :

- The company has started re-cycling and using its treated process water in one of its units resulting in reduction of power load for withdrawal of ground water with due conservation of water resources.
- In other plant(s), smaller sized hydroclones / lower HP pump have been replaced with optimum sized hydroclones / pumps thereby reducing the consumption of power considerably.
- Ion exchange resins have been procured and replenished wherever necessary, thereby increasing the through put of the product which further reduced the number of regenerations of the unit thereby saving energy.
- Trails are being conducted to use biological culture in place of extensive aeration at ETP to reduce the energy consumption at aeration stage which used to be the major consumer of electricity.
- Volute press to process sludge has also been procured by us in one of our units replacing the decanter, which has substantially reduced the operating power consumption.

(b) Steps taken by the company for utilizing alternate sources of energy:

Steps are already afoot for generating power from the agricultural waste. Company is considering various steps for utilizing alternate sources of energy like generating power from Bio fuel gas / solar. The Company is already producing Bio fuel gas from its effluent waste, which is being used for drying some of its products and partly for generating steam thereby replacing use of furnace oil and coal and reducing carbon foot print.

(c) The capital investment on energy conservation equipments:

During the year, the Company has made capital Investment of ₹ 44.42 lacs, on account of energy conservation equipments.

INDEPENDENT AUDITORS' REPORT

To
The Members of
The Sukhjit Starch & Chemicals Limited
Phagwara

REPORT ON THE STANDALONE FINANCIAL STATEMENTS :

We have audited the attached standalone financial statements of The Sukhjit Starch & Chemicals Limited (the Company) as at March 31, 2019, which comprise the Balance Sheet, the Statement of Profit and Loss, the Statement of Changes in Equity and the Statement of Cash Flow and a summary of significant accounting policies and other explanatory information. (hereinafter referred to as "the standalone Ind AS financial Statement").

MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS :

The Company's Management is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ('the Act') with respect to the preparation of these financial statements that give a true and fair view of the state of affairs, profit/ loss (including other comprehensive income), changes in Equity and cash flow of the Company in accordance with the accounting principles generally accepted in India, including the India Accounting Standards (Ind AS) specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

AUDITOR'S RESPONSIBILITY :

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's directors, as well as evaluating the overall presentation of the financial statements.

INDEPENDENT AUDITORS' REPORT

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also :

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

OPINION :

In our opinion and to the best of our information and according to explanations given to us, the aforesaid standalone financial statements, read together with significant accounting policies and notes forming part of accounts, give the information required by the companies Act, 2013 in the manner so required, and give a true and fair view in conformity with the accounting principles generally accepted in India :

INDEPENDENT AUDITORS' REPORT

ANNEXURE A TO THE AUDITORS' REPORT :

1. The Annexure referred to in our Independent Auditors' Report to the members of The Sukhjit Starch & Chemicals Limited on the standalone financial statements for the year ended 31st March 2019, we report that:
2. The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
3. As per information given to us, the physical verification of fixed assets has been done by the management at reasonable intervals and no material discrepancies were noticed on such verification. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets.
4. According to the information and explanations given to us and on the bases of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
5. The Company has conducted physical verification of stock of finished goods, stores, spare parts and raw materials at reasonable intervals. In our opinion, the frequency of verification is reasonable.
6. In our opinion and according to the information and explanation given to us, the Company has neither granted or taken any loans, secured or unsecured to or from the Companies, firms or other parties covered in the register maintained under section 189 of the Companies Act, 2013 ("the Act").
7. Paragraph 3(iii)(a) of the Order is not applicable to the Company in respect of rate of Interest and other terms and conditions on which the loans had been granted to the bodies corporate listed in the register maintained under section 189 of the Act.
8. Paragraph 3(iii)(b) of the Order is not applicable to the Company in respect of repayment of the principal amount.
9. Paragraph 3(iii)(c) of the Order is not applicable to the Company in respect of amount overdue in respect of the loans granted to the bodies corporate listed in the register maintained under section 189 of the Act.
10. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of grant of loans, making investments and providing guarantees and securities, as applicable.
11. In our opinion and according to the information and explanations given to us, the company has complied with the directives issued by the Reserve Bank of India and the provisions of sections 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the rules framed there under with regard to the deposits accepted from public.
12. The Central Government has prescribed the maintenance of accounts and cost records under section 148(1) of the Act, which has been duly complied by the Company.
13. (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted / accrued in the books of account in respect of undisputed Statutory dues including Provident Fund, Income Tax, Sales Tax, Service Tax, Duty of Customs, Value Added Tax, Cess and other material Statutory dues have been regularly deposited during the year by the Company with the appropriate authorities. As explained to us, the Company did not have any dues on account of employees' state insurance and duty of excise.
According to the information and explanations given to us, no undisputed amounts payable in respect of Provident Fund, Income Tax, Sales Tax, Service Tax, Duty of Customs, Value Added Tax, Cess and other

INDEPENDENT AUDITORS' REPORT

material Statutory dues were in arrears as at 31 March 2019 for a period of more than six months from the date they became payable.

(b) The Company has disputed Liabilities, not provided as expense in the accounts, comprise of ₹ 32.96 Crores. The amount mainly includes as under :

- ₹28.93 Crores as disputed Central Excise Duty (excluding penalty & interest) demand raised by the Central Excise Dept. since 01/04/1997 alleging the sale of Maize Starch as that of Modified Starch. The demand is totally baseless and without any substance, as the company has been manufacturing Maize Starch by following the standard Wet Milling Process for the last many decades and the product is sold and accepted by the market as Maize Starch. So, the company does not foresee any liability to crystallize on this account.
- Other items related to a demand of ₹ 1.64 crores raised on sale made through the consignment agents of the Company which is pending before the Assistant Commissioner.
- ₹ 2.39 Crores wrongly levied for R&C measures by A.P. Northern Power Distribution Company Ltd., Nizamabad against exemption enjoyed by the unit, the matter is pending before the Hon'ble High Court of Andhra Pradesh.

14. In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of loans or borrowings to financial institutions, banks and government. The Company does not have any borrowings from debenture holders.
15. The term loans have been applied for the purpose for which they were obtained. The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments).
16. To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company or on the Company by its officers or employees has been noticed or reported during the year.
17. According to the information and explanations given to us and based on our examination of the records of the Company, the company has paid / provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.
18. The Company is not a Nidhi Company. Accordingly, paragraph 3(xii) of the Order is not applicable.
19. In our opinion and according to the information and explanations given to us, the Company is in compliance with Section 188 and 177 of the Companies Act, 2013, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable accounting standards.
20. During the year, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures.
21. In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its directors or persons connected with him and hence paragraph 3(xv) of the Order is not applicable.
22. The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

INDEPENDENT AUDITORS' REPORT

ANNEXURE B TO THE AUDITORS' REPORT :

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of The Sukhjit Starch & Chemicals Limited ("the Company") as of March 31, 2019 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

INDEPENDENT AUDITORS' REPORT

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

The Company is listed on Bombay Stock Exchange Ltd. (BSE). The standalone financial statements for the year ended March 31, 2019 were approved by the Board of Directors on 25.05.2019.

2. SIGNIFICANT ACCOUNTING POLICIES

(a) Statement of compliance

These financial statements are the separate financial statements of the Company (also called standalone financial statements) prepared in accordance with Indian Accounting Standards (IND AS) notified under Section 133 of the Companies Act, 2013, read together with the Companies (Indian Accounting Standards) Rules, 2015.

(b) Basis of preparation of Financial Statement

The accounts have been prepared in accordance with IND AS and Disclosures thereon comply with requirements of IND AS, stipulations contained in Schedule- III (revised) as applicable under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules 2014, Companies (Indian Accounting Standards) Rules 2015 as amended from time to time and rules & guidelines issued by SEBI as applicable.

(c) Property, Plant and Equipment

These are tangible assets held for use in production, supply of goods or services or for administrative purposes. These are recognized and carried under cost model i.e. cost less accumulated depreciation and impairment loss, if any which is akin to recognition criteria under erstwhile GAAP.

- (i) Cost includes freight, duties, taxes and other expenses directly incidental to acquisition, bringing the asset to the location and installation including site restoration up to the time when the asset is ready for intended use. Such Costs also include borrowing cost if the recognition criteria are met.
- (ii) Depreciation on Plant & Machinery has been provided on straight line method in terms of expected life span of assets and on other PPEs on written down value. In the following category of property, plant and equipment, the depreciation has been provided on the technical evaluation of the useful life which is different from the one specified in Schedule II to the Companies Act, 2013. Buildings - 3 to 60 years. Plant and Machinery - 5 to 25 years Office equipment - 5 to 10 years Vehicles - 8 to 10 years.
- (iii) During sales of any Property, Plant and Equipment, any profit earned / loss sustained towards excess / shortfall of sale value vis-a-vis carrying cost of assets is accounted for in statement of profit & loss.

(d) Intangible Assets

Intangible asset purchased are measured at cost less accumulated amortisation and accumulated impairment, if any and are amortised as per the useful life on written down value basis, as per the rates specified in the Companies Act, 2013.

(e) Investments

To comply with the requirements of Ind AS 109, the company has elected during its first time adoption of IND AS to present gains or losses on investment in equity securities / mutual funds held at the end of the financial year at fair value through other comprehensive income (FVTOCI). However, any gains or losses on sale of investment during the year are charged in profit and loss account.

The Company has elected to recognize its investments in subsidiary companies at cost in accordance with the option available in IND AS 27. The details of such investments are given in note no. 6 of the financial statements.

(f) Investment Property

On transition to Ind AS, Company has elected to continue with the carrying value of all the investment properties as per previous GAAP and use that carrying value as deemed cost of investment properties. However, a disclosure of market value of such investment properties have been mentioned in the notes to accounts.

(g) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. The Classification, Initial recognition & measurement, Subsequent measurement and de-recognition of the financial assets and financial liabilities of the company have been made in accordance with Ind AS.

(h) Inventories

Raw Material, stores & spares, packing material, components, stock in process, finished goods and goods held for resale are valued at lower of cost and net realisable value. By-products are valued at their net realisable value. The costs are, in general, determined on a weighted average basis. Due allowance is made for obsolete items, if any.

(i) Cash and Cash Equivalents

Cash and Cash equivalents comprise of cash in hand, cheque in hand and balances of current accounts with banks.

(j) Income Tax and Deferred Tax

The liability of company on account of Income Tax is computed considering the provisions of the Income Tax Act, 1961. Deferred tax is provided using balance sheet approach on temporary differences at the reporting date as difference between the tax base and the carrying amount of assets and liabilities. Deferred tax is recognized subject to the probability that taxable profit will be available against which the temporary differences can be reversed.

Deferred tax assets and liabilities are measured at the tax rates that have been enacted at the reporting date. Deferred tax relating to items recognised outside profit or loss is recognised in other comprehensive income.

(k) Lease assets

Leases in which a significant portion of risk and rewards of ownership are not transferred to the company as lessee are classified as operating leases. Payments made under operating leases are charged to profit & loss account on accrued basis.

(l) Use of Estimates

The preparation of financial statements requires the management to make estimates and assumptions considered in the reported amount of assets and liabilities (including contingent liabilities) as on the date of financial statements and the reported income and expenses during the reporting period. Management believes that the estimates used in the preparation of the financial statements are prudent and reasonable. Actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

(m) Recognition of Income and Expenses

- (i) Sales have been recognized with the transfer of significant risk and rewards of ownership of the goods, with the company losing effective control or the right to managerial involvement thereon. It has been measured at the fair value of consideration received or receivable. Sales recognized is net of GST, net of rebate & discount but include excise duty where applicable.
- (ii) Dividends are recognised in profit & loss account only when right to receive payment is established, it is probable that economic benefits associated with the dividend will flow to the entity and the amount of dividend can be measured reliably.
- (iii) Interest income is recognized in the statement of profit and loss on time proportion basis taking into consideration the outstanding amount and the applicable rate of interest.
- (iv) Insurance claims are accounted for on the basis of claims admitted by the insurers.
- (v) Other incomes have been recognized on accrual basis in financial statements except for cash flow information.

(n) Government subsidy / Grants

Government Grants are recognized only when there is a reasonable assurance that the entity will comply with the conditions attaching to them and the grants will be received.

- (i) Subsidy/ Grants related to assets are presented in balance sheet as 'Deferred Income' which is recognized in the statement of profit & loss under the head 'other income' on a systematic basis over the useful life of the assets i.e. period ranging from 25 to 30 years.
- (ii) Subsidy / Grants related to expenses are treated in statement of profit & loss under the head for which the grants are intended to compensate.

INDEPENDENT AUDITORS' REPORT

To,
The Members of
The Sukhjit Starch & Chemicals Limited
Phagwara.

REPORT ON THE CONSOLIDATED FINANCIAL STATEMENTS

We have audited the attached Consolidated financial statements of The Sukhjit Starch & Chemicals Limited (the Company) as at March 31, 2019, which comprise the Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, the Statement of Changes in Equity and the Consolidated Cash Flow Statement and a summary of significant accounting policies and other explanatory information.

MANAGEMENT'S RESPONSIBILITY FOR THE CONSOLIDATED FINANCIAL STATEMENTS

The Company's Management is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ('the Act') with respect to the preparation of these consolidated financial statements that give a true and fair view of the state of affairs, profit/ loss (including other comprehensive income), changes in Equity and cash flow of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the

INDEPENDENT AUDITORS' REPORT

operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also :

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are

INDEPENDENT AUDITORS' REPORT

therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

OPINION

In our opinion and to the best of our information and according to explanations given to us, the aforesaid consolidated financial statements, read together with significant accounting policies and notes forming part of accounts, give the information required by the companies Act, 2013 in the manner so required, and give a true and fair view in conformity with the accounting principles generally accepted in India :

- (i) In case of consolidated balance sheet, of the state of the affairs of the company as at 31st March 2019.
- (ii) In case of consolidated profit and loss Accounts, of the profit of the company for the year ended on the date.
- (iii) In case of changes in Equity, of the changes in equity for the year ended on that date.
- (iv) In the case of consolidated cash flow statement, of the cash flow for the year ended on that date.

We did not audit the financial statements of subsidiaries, whose financial statements reflect total assets and Revenue from operations as follows as on 31st March, 2019.

Subsidiary Company	Total Assets (in Lacs)	Revenue from Operations (in Lacs)
The Vijoy Steel & General Mills Co. Ltd.	91.56	70.60
Scott Industries Ltd.	130.60	—
Sukhjit Mega Food Park & Infra Ltd.	7,862.03	195.43

We report that the consolidated financial statements have been prepared by the Company in accordance with the requirements of Indian Accounting Standard 110-Consolidated Financial Statements issued by the ICAI and on the basis of the separate audited financial statements of the Sukhjit Starch & Chemicals Limited and its subsidiaries included in the Consolidated Financial Statements.

ANNEXURE A TO THE AUDITOR'S REPORT

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of The Sukhjit Starch & Chemicals Limited ("the Company") as of March 31, 2019 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over

INDEPENDENT AUDITORS' REPORT

Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INDEPENDENT AUDITORS' REPORT

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, to the best of our information and according to the explanations given to us, the Holding Company and its subsidiary companies, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

(e) Investments

To comply with the requirements of Ind AS 109, the company has elected during its first time adoption of IND AS to present gains or losses on investment in equity securities / mutual funds held at the end of the financial year at fair value through other comprehensive income (FVTOCI). However, any gains or losses on sale of investment during the year are charged in profit and loss account.

(f) Investment Property

On transition to Ind AS, Company has elected to continue with the carrying value of all the investment properties as per previous GAAP and use that carrying value as deemed cost of investment properties. However, a disclosure of market value of such investment properties have been mentioned in the notes to accounts.

(g) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. The Classification, Initial recognition & measurement, Subsequent measurement and de-recognition of the financial assets and financial liabilities of the company have been made in accordance with Ind AS.

(h) Inventories

Raw Material, stores & spares, packing material, components, stock in process, finished goods and goods held for resale are valued at lower of cost and net realisable value. By-products are valued at their net realisable value. The costs are, in general, determined on a weighted average basis. Due allowance is made for obsolete items, if any.

(i) Cash and Cash Equivalents

Cash and Cash equivalents comprise of cash in hand, cheque in hand and balances of current accounts with banks.

(j) Income Tax and Deferred Tax

The liability of company on account of Income Tax is computed considering the provisions of the Income Tax Act, 1961. Deferred tax is provided using balance sheet approach on temporary differences at the reporting date as difference between the tax base and the carrying amount of assets and liabilities. Deferred tax is recognized subject to the probability that taxable profit will be available against which the temporary differences can be reversed.

Deferred tax assets and liabilities are measured at the tax rates that have been enacted at the reporting date. Deferred tax relating to items recognised outside profit or loss is recognised in other comprehensive income.

(k) Lease assets

Leases in which a significant portion of risk and rewards of ownership are not transferred to the company as lessee are classified as operating leases. Payments made under operating leases are charged to profit & loss account on accrued basis.

(l) Use of Estimates

The preparation of financial statements requires the management to make estimates and assumptions considered in the reported amount of assets and liabilities (including contingent liabilities) as on the date of financial statements and the reported income and expenses during the reporting period. Management believes that the estimates used in the preparation of the financial statements are prudent and reasonable. Actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

(m) Recognition of Income and Expenses

- (i) Sales have been recognized with the transfer of significant risk and rewards of ownership of the goods, with the company losing effective control or the right to managerial involvement thereon. It has been measured at the fair value of consideration received or receivable. Sales recognized is net of GST, net of rebate & discount but include excise duty where applicable.
- (ii) Dividends are recognised in profit & loss account only when right to receive payment is established, it is probable that economic benefits associated with the dividend will flow to the entity and the amount of dividend can be measured reliably.
- (iii) Interest income is recognized in the statement of profit and loss on time proportion basis taking into consideration the outstanding amount and the applicable rate of interest.
- (iv) Insurance claims are accounted for on the basis of claims admitted by the insurers.
- (v) Other incomes have been recognized on accrual basis in financial statements except for cash flow information.

(n) Government subsidy / Grants

Government Grants are recognized only when there is a reasonable assurance that the entity will comply with the conditions attaching to them and the grants will be received.

- (i) Subsidy/ Grants related to assets are presented in balance sheet as 'Deferred Income' which is recognized in the statement of profit & loss under the head 'other income' on a systematic basis over the useful life of the assets i.e. period ranging from 25 to 30 years.
- (ii) Subsidy / Grants related to expenses are treated in statement of profit & loss under the head for which the grants are intended to compensate.

(o) Employee Benefits

- (i) Short term employee benefits are charged to the profit & loss account of the year in which the employee renders services. These benefits include Annual leave encashment, Ex-gratia etc.
- (ii) A defined contribution plan comprises contribution to Employees Provident fund, Employee Pension Scheme and Employee State Insurance which are deposited with the Government. These contributions are recognized as expense during the periods employees perform services.

- (iii) Defined benefit plans include gratuity which is determined on the basis of actuarial valuation at the end of the year and contributions are deposited with SBI Life Insurance Company Ltd. under a separate trust and charged to the profit and loss account / other comprehensive income of the relevant year. Contributions to superannuation plan for certain category of employees (to provide an agreed benefit) are deposited with the life insurance corporation of India and charged to the profit and loss account on the same basis
- (p) Research and Development Expenditure**
Revenue expenditure on research and development are charged off as and when incurred. However, the capital expenditure is considered as part of the fixed assets and depreciation on the same basis as other fixed assets.
- (q) Foreign Currency Transaction**
The company's financial statements are presented in INR, which is also the company's functional currency. Foreign currency transactions relating to sale of goods are translated at the rates prevailing at the time of settlement of transactions. The transactions remain unsettled as on the balance sheet date are translated at the contracted rates (where applicable) or the exchange rates prevailing at the end of the accounting year.
Any income or expenditure on account of exchange difference (on transaction) is recognized in the profit and loss account except Long term liabilities relating to acquisition of fixed assets where they are adjusted to the cost of asset and depreciated over the balance life of the assets.
- (r) Impairment**
Impairment loss, if any, is provided, by making provision in the books of accounts, to the extent carrying cost of an asset exceeds its realizable value.
- (s) Borrowing Cost**
Borrowings cost related to specific borrowings for acquisition / construction / erection of a qualifying asset are capitalized as a part of the cost of such asset till such time the asset is ready for its intended use. Borrowing cost related to general borrowings for acquisition / construction / erection of a qualifying asset are capitalized as a part of the cost by applying a capitalization rate as per IND-AS 23.
- (t) Provisions, Contingent Liability and Contingent Assets**
Disputed liabilities and claims against the company including claims raised by fiscal authorities pending in appeal / court for which no reliable estimate can be made and / or involves uncertainty of the outcome of the amount of the obligation are not provided for in accounts but disclosed in notes to accounts.
- (u) Earnings Per Share**
For the purpose of calculating basic earnings per share, the net profit or loss for the period attributable to equity shareholders after deducting any attributable tax thereto for the period is divided by weighted number of equity shares outstanding during the period.
For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares (if any).

NOTES ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019

32. Figures for the previous year have been recast / regrouped wherever necessary.
33. Contingent Liabilities not provided for include :
- LCs / Bank Guarantees / Corporate Guarantee** issued for ₹ 844.25 lacs (Previous Year ₹ 314.33 lacs) in favour of West Bengal State Electricity Board & Himachal Pradesh State Electricity Board for power connection of Malda unit & Gurplah unit, Assistant Excise & Taxation Commissioner for VAT rebate, Commissioner of Customs / Jt. Director of Foreign Trade for the import of machinery under EPCG licence etc. The Company has given a Corporate Guarantee of ₹ 40 crores to Yes Bank Ltd for availing the Term Loan by its wholly owned subsidiary 'M/s Sukhjit Mega Food Park & Infra Ltd.' for setting up the Mega Food Park.
 - Central Excise Duty** : Disputed Liabilities, not provided as expense in the accounts, comprise of ₹ 32.96 Crores. The amount mainly includes as under :
 - ₹ 28.93 Crores as disputed Central Excise Duty (excluding penalty & interest) demand raised by the Central Excise Dept. since 01/04/1997 alleging the sale of Maize Starch as that of Modified Starch. The demand is totally baseless and without any substance, as the company has been manufacturing Maize Starch by following the standard Wet Milling Process for the last many decades and the product is sold and accepted by the market as Maize Starch. So, the company does not foresee any liability to crystallize on this account.
 - Other items related to a demand of ₹ 1.64 crores raised on sale made through the consignment agents of the Company which is pending before the Assistant Commissioner.
 - ₹ 2.39 Crores wrongly levied for R&C measures by A.P. Northern Power Distribution Company Ltd., Nizamabad against exemption enjoyed by the unit, the matter is pending before the Hon'ble High Court of Andhra Pradesh.
 - Estimated value of contracts remaining to be executed on capital account and not provided for (net of Advances) : ₹ 58.50 Crores (Previous year ₹ 3.25 Crores)
 - Export obligation pending to be fulfilled is Nil (Previous year US\$ 4.90 lacs) in next 6 years under EPCG scheme of the Central Government against import of capital goods at concessional rates. The company has achieved an export turnover of US\$ 11.70 lacs during the year under reference (Previous year US\$ 25.21 lacs).
