What Does Name 'Sukhjit' Mean

You are spiritually intense and can sting or charm. Your name brings love and new starts into life and attracts money. In business, you are the creator and promoter of original ideas and usually enjoy considerable financial success. Emergencies may raise your intuitive abilities in order to resolve conflict or situation. You become very creative under the pressure, and have quite original ideas to make the best out of it.

Position and social status is very important for you and you are always looking for way to improve your position in society. You have power and ability to chose your own destiny and achieve anything you want in life. You can expand in any direction according to your will and the set of values. You have passion for justice and belong to the position of authority. You have an inherent courage and endurance to accomplish 'The Impossible Dream'. With the power comes responsibility, you hold keys to the material world, but with this gift comes high spiritual responsibility to be fair and true to others. You are philosophical and mature, determined and intense with a desire to endure, often religious. *Source : <http://www.sevenreflections.com>*

"You can't build a great building on a weak foundation. You must have a solid foundation if you're going to have a strong superstructure."

Gordon B. Hinckley

Dear Fellow Shareholders,

As our first name suggests, we are quick and fluent in our expressions, we guard against boastfulness or dominating a situation, have vision and foresight to be able to organize others and to hold position of responsibility with poise and self-confidence and create an optimistic outlook on life and favorable conditions in the personal affairs.

Sukhjit will be 74 years old company this year. We will be celebrating our Diamond Jubilee next year with lot of confidence and excitement. The confidence of my team is on TOP as we have passed one of the most difficult times for starch industry in last 5 years. We are excited to achieve 1000 cr turnover by 2020.

Our company was started in 1944. We have seen ups and downs and trust me, following were the key words of our discussions when we were thinking about the future :

Local vendors, unorganized market, Exports Focus, Licence RAJ, Product-Mix change, Consolidation, Urban Infrastructure development, Sustainability, Cash flow management, Value-added products Focus approach, Labour problems, Efficiency, farmer betterment, monsoon, government change, policy paralysis, M & A, Food habits, global commodity prices, intense competition, industrial revolution, green revolution, electricity shortage, learning from errors, corruption, skill manpower shortage, IT boom and foreign players entering India.

With my 50 years of experience, whatsoever we could do, irrespective of the industry and its dynamics, if we worked with our SOUL and with consistency and strategy, there is no question of failure in the long run. In Sukhjit, we have demonstrated the same in last 74 years. As we work to build the India's most successful and enduring agribusiness and food-ingredient provider, we are mindful that creating a company for the ages requires more than just an effective strategy and outstanding execution. Let me proudly share that we are selling our products with MNC quality at Indian prices.

Today, every team member spends many hours daily for a sustainable long term growth. We Face challenges with clear Focus, unwavering Faith and steadfast Fortitude

Let me ensure you that our strong foundations along with the strategy for future growth is in the right direction.

We are investing close to ₹ 125cr in our most ambitious project - a Mega food Park with state of the art anchor unit with latest automated production line with captive power plant. Spread over 55 acres, the new facility will unleash economies of scale, size and scope and will result in a distinct competitive advantages. The plant will be fully operational by October 2019. The plant will also maintain a permanent R&D facility. There will be some end users of Sukhjit starch who will also setup their manufacturing units within the Mega Food Park. Integrated manufacturing at a single site would reduce the production cost owing to reduced transportation cost. There will also be a cold storage of 3000 Mts capacity and Silos/ warehousing facility of 25000Mts to ensure raw material consistency for Sukhjit and end users with in the Mega Food Park.

The new plant will also synergize the peoples potential as personnel of various skill sets shall work together collaboratively and cohesively, sharing learning and experience to create innovative and high-value products.

During the last 30 years, we deployed our unique combination of acumen and assets against an exceptional set of opportunities and challenges and again delivered reasonable financial results.

While we are committed to meeting our financial goals each quarter, we will remain focused on executing our longer-term strategy. The Company's strategy involves expanding the volume and diversity of products that it processes, expanding the global and regional reach of its core model and expanding its value-added product portfolio. The Company desires to execute this vision and these strategies by conducting its business in accordance with its core values of operating with integrity, treating others with respect, achieving excellence, being resourceful, displaying teamwork, and being responsible.

Our operational excellence initiatives have delivered significant savings and efficiencies, and we continue to grow strategically by expanding into new geographies and increasing our capabilities in food, beverages and feed. Those actions contributed to the improved results we saw in the 4th quarter despite still muted margin environments in some businesses and the continued momentum in the execution of our plan gives us confidence that we will deliver sustainable value creation.

We are beginning to see the benefits of our aggressive actions to improve our performance and continue to expect that results will improve as we move through the year.

The prices of agricultural commodities, which may fluctuate significantly and change quickly, directly affect the Company's working capital requirements. The inventory levels typically peak after the full harvest and are generally lower during the off season. Working capital requirements have historically trended with inventory levels. No material part of the Company's business is dependent upon a single customer or very few customers. Even as strong demand for crops and commodities challenged the supply chain, we continued to capture value for our shareholders as we met our customers in FMCG, Pharma, Paper and industrial products.

Our vision is to build on our history of excellence to create a company that continues to evolve with NATURE and grow adapting to a changing world, and to changing consumer preferences.

What this means in practice is that while we are committed to meeting or exceeding our near-term financial goals, we remain focused on our long-term strategy. Together, we will continue to focus on executing our strategy and adjusting our portfolio so that we can keep creating value for our customers and stockholders and in the process, create exciting new opportunities for you who drive our success.

With thanks, I offer full credit for the last year performance to the people of Sukhjit. While continuing to respect and indeed relish the traditional strengths of the company, they embraced a new focus, new people and a new set of expectations and disciplines, all is while maintaining an unwavering commitment to delivering quality and value for our customers and shareholders.

Last but not the least, I thank our valued customers, stakeholders, suppliers, business associates, shareholders, bankers and above all, my colleagues in Sukhjit for their continuous support and guidance. In every business scenario, we will follow our core values of hard work, integrity, team and social commitment.

Your Sincerely,

I.K. Sardana

Dividend (including Corporate Tax)	4.44	4.44
Transfer to General Reserves	10.00	20.00
Surplus carried forward	11.99	7.81

2. PERFORMANCE

The Sales and other income of the Company have increased from ₹ 568 Crores to ₹ 655 Crores showing an increase of 15% y-o-y. The profitability has, however, not increased in line with the sales due to higher cost of basic raw material i.e. Maize being an agriculture produce, the availability of which remained a concern throughout the year due to consecutive draughts in the country. The Company has, however, controlled other expenditure in an effective way. The Earnings before interest, tax and Depreciation stood at ₹ 52.91 Crores (₹ 63.07 Crores) which after interest of ₹ 13.37 Crores (₹ 15.28 Crores) and Depreciation of ₹ 11.77 Crores (₹ 12.11 Crores) resulted in Net Profit before tax at ₹ 27.77 Crores (₹ 35.68 Crores).

3. FUTURE PROSPECTUS

With the prediction of normal monsoons during the running year, it is expected that the production of agriculture produce will improve resulting in availability of basic raw material at an optimum cost with positive impact on the profitability of the Company. Good production of the agricultural produce will also ensure continuous supply of raw material at all plant locations of the Company. The turnover of the Company is set to grow further due to optimum utilization of increased capacities at Malda and Gurplah plants.

The introduction of GST from 1st July, 2017 should also bode well for the trade and industry enabling your Company to further expand its outreach.

6. DIVIDEND

The Directors are pleased to recommend a dividend of 50% (i.e. ₹ 5/- per Equity share of ₹ 10/- each) during the financial year ended 31st March, 2017 against interim dividend @ 50% paid in 2015-16.

7. TRANSFER TO RESERVES

The Company has transferred ₹ 10 crores (PY ₹ 20 crores) to the general reserve.

8. DIRECTORS' RESPONSIBILITY STATEMENT

Pursuant to Section 134 (3c) of the Companies Act, 2013, the Directors state that:

- (a) in the preparation of the Annual Accounts for the financial year ended 31st March, 2017, the applicable Accounting Standards have been followed alongwith proper explanations relating to material departures;
- (b) the Directors have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the profit of the company for the year so ended;
- (c) the Directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- (d) the Directors have prepared the Annual Accounts for the financial Year ended 31st March, 2017 on a 'going concern' basis;
- (e) the directors have laid down internal financial controls to be followed by the company and that such internal financial controls are adequate and are operating effectively; and
- (f) the directors have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems are adequate and operating effectively.

9. DEPOSITS

All the deposits have been accepted/ renewed / repaid as per the provisions of the Act. The company had no unclaimed / unpaid deposits on 31/03/2017.

10. SUBSIDIARY COMPANIES AND CONSOLIDATED FINANCIAL STATEMENTS

- (a) The Vijoy Steel & General Mills Company Ltd., Phagwara : The Company has incurred operational loss for the year under reference due to lower productivity. It expects to improve upon its performance during the running year.
- (b) Scott Industries Ltd., Phagwara : The Company has shut down its operations. Most of its assets have been already disposed off and efforts are on to realize the dues from its old customers.

DIRECTORS' REPORT

- (c) Sukhjit Mega Food Park & Infra Ltd., Phagwara : The Mega Food Park has obtained all the necessary approvals/consents from the Central as well as State Government and the onsite work is expected to start within a month's time. The commissioning of the project will be as per the guidelines laid down by the Ministry of Food Processing Industries, Govt. of India.

There has been no material change in the nature of business of the Subsidiaries.

As required under the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, Consolidated Financial Statements of the Company and its subsidiaries are attached, which have been prepared in accordance with the relevant Accounting Standard(s) as prescribed under the Companies Act, 2013.

In pursuance to the general circular issued by the Ministry of Corporate Affairs, the Balance Sheet, Profit & Loss Account and other documents of the subsidiary companies are not being attached with the Balance Sheet of the Company. A statement containing the requisite financial details of the company's subsidiaries for the financial year ended 31st March, 2017 is annexed to the consolidated results in the Annual Report. The annual accounts of these subsidiaries and the related detailed information will be made available to any shareholder of the Company who may be interested in seeking such information and are also available for inspection by any shareholder of the Company at the registered office of the Company. The Company shall furnish a copy of details of annual accounts of subsidiaries to any shareholder on demand.

11. CONTINGENT LIABILITY

Disputed Liabilities, not provided as expense in the accounts, comprise of ₹ 28.62 Crores. The amount mainly includes ₹ 25.98 Crores as disputed Central Excise Duty (excluding penalty and interest) demand raised by the Central Excise Department since 01/04/1997 alleging the sale of Maize Starch as that of Modified Starch. Since the matter is subjudice, the Department has continuously been issuing the show cause notices against the differential duty. However, pertinent to mention that the product has been repeatedly got tested by the Department from its Central Revenue Laboratory where it has been clearly held to be Maize Starch. So the demand is totally baseless and without any substance. The company has been manufacturing Maize Starch by following the standard Wet Milling Process for the last many decades and the product is sold and accepted by the market as Maize Starch, so the company does not foresee any liability to crystallize on this account. Other items related to a demand of 1.31 crores raised on sale made through the consignment agents of the Company which is pending before the Assistant Commissioner, ₹ 1.25 Crores wrongly levied for R&C measures by A.P. Northern Power Distribution Company Ltd., Nizamabad against exemption enjoyed by the unit, the matter is pending before the Hon'ble High Court of Andhra Pradesh and balance on account of other Misc. service tax demands due to difference of opinion.

MANAGEMENT DISCUSSION AND ANALYSIS

Global Economy Outlook

Global economic activity is picking up after a long awaited cyclical recovery in investment, manufacturing and trade. World growth is expected to rise from 3.1 percent in 2016 to 3.5 percent in 2017 and 3.6 percent in 2018, slightly above the October 2016 as per World Economic Outlook (WEO) forecast. Stronger activity and expectations of more robust global demand, coupled with agreed restrictions on oil supply, have helped commodity prices recover from their troughs in early 2016. Higher commodity prices have provided some relief to commodity exporters and helped to lift global headline inflation and reduce deflationary pressures. Financial markets are buoyant and expect continued policy support in China and fiscal expansion and deregulation in the United States. India remains the standout among Asia's major economies, with expected GDP growth of 7.2 percent this year and 7.7 percent in 2018, compared to last year's 6.8 percent. Despite the recent "monetization shock," medium-term prospects remain favorable thanks to further supply-side reforms and other policies. If confidence and market sentiment remain strong, short-term growth could indeed surprise on the upside.

Indian Economy Outlook

IMF's projection makes India the fastest growing major economy in 2016-17, with China estimated to have grown at 6.7% during 2016. China's economy is expected to steadily slow down to 6.6% in 2017 and 6.2% in 2018 due to the "complex process of rebalancing" by reorienting demand from exports and investment in consumption.

The Indian economy is entering a "productive growth phase" and real GDP growth is likely to rise to 7.2% in 2017-18 driven by favourable external demand, improving corporate balance sheets and private capex recovery, as per IMF. Productive growth phase is characterised as a period of improving growth while macro stability remains in

ANNEXURE 'A' TO THE DIRECTORS' REPORT

check and typically sets the stage for a sustained growth cycle. The Outlook said India's economy has grown at a strong pace in recent years owing to the implementation of critical structural reforms, favourable terms of trade and lower external vulnerabilities.

As per Asian Development Bank (ADB), India's economy is set to grow at 7.4% in financial year 2017-18 against 7.1% the previous year, on the back of a pick-up in consumption demand and higher public investment.

Additionally, with GST into practice, there would be amalgamation of Central and State taxes into a single tax payment. It would also enhance the position of India in both, domestic as well as international markets. At the consumer level, GST would reduce overall tax burden, which is currently estimated at 25-30%.

Conclusively, Indian Economic growth is projected to remain strong and India will remain the fastest-growing G20 economy. The increase in public wages and pensions will support consumption. Private investment will recover gradually as excess capacity diminishes, and the landmark Goods and Services Tax and other measures to improve the ease of doing business are being implemented.

Trade openness has increased, partly driven by a competitive service sector. Manufacturing has lagged behind, with limited contribution to exports and job creation, leaving many workers in low-paid jobs. Promoting quality job creation in manufacturing would require reducing further restrictions on FDI and trade, modernising labour regulations

ANNEXURE 'A' TO THE DIRECTORS' REPORT

and providing better education and skills. Better infrastructure, transport and logistic services would facilitate manufacturing firms' access to global markets, particularly from remote and poorer regions.

Global Starch Industry

The Global industrial starch market, by volume, is projected to reach 113.9 MMT by 2022, at a CAGR of 3.80% from 2016. In terms of value, the Industry is projected to reach USD 106.64 Billion by 2022, at a CAGR of 6.64% from 2016. Growth in demand for convenience foods, and multiple functionalities of starch, starch derivatives & sweeteners in a diverse range of end-user industries are the factors driving this market.

"Asia-Pacific Leading at the Regional Front, driven by India"

While the industrial starches market is segmented by region into North America, Europe, Asia-Pacific, South America and Africa. Asia-Pacific has the major market share driven by India, the dominant position is due to the increasing consumption of starch, its derivatives, and sweeteners. Moreover, due to fewer raw materials & production costs, as well as less rigid environment regulations, Asia-Pacific is in a better position to produce starch at more competitive prices than developed countries of Europe and North America.

Corn Leading the Starch Market in India.

After cellulose, starch is the most abundant carbohydrate in nature. It is present in seeds, roots and tubers of higher plants for energy storage. Starch can be extracted from a wide variety of agricultural products. These include - corn, cassava, wheat and potato and in a lesser amount from rice, barley, sorghum, sago, etc. Corn currently represents the most popular feedstock accounting for around 80% of the total global starch production due to following main reasons :

- High starch content
- Thickening
- Adhesion

Additionally, Corn starch is obtained from the endosperm of the corn kernel. It is used in food, corrugation & paper making, textiles, etc. Its other applications in pharmaceuticals, cosmetics, etc. collectively accounted as the fastest-growing segments of the industrial starch market.

India - Corn Starch

Corn Starch production in India is very fragmented as there are a large number variety of producers or manufacturers with different production capacities.

Despite India having abundant supply of maize as well as the other raw materials used in the processing or production of corn starch, the same remains untapped due to legal restrictions relating to the use of modified starches in the country. As such, raw materials needed for the growth of the industry is not the issue that has to be tackled. The annual maize or corn production in India is around 25 million tonne. The main percentage of maize produced is used in its unprocessed form and only a small portion goes into use for corn starch production.

The main process which is used in the corn starch processing is corn wet milling. In spite of the fact that small

ANNEXURE 'A' TO THE DIRECTORS' REPORT

percentage of corn is used for corn starch production, the starch processing industry is one of the top 5 processing industries in the country. It is one of the few industries that have a development period of more than 15 years behind it. The growth of corn starch processing industry can be gauged from the very fact that about 40% of all the manufacturing companies involved in starch processing are new entrants to the field.

Corn Starch Sales Defined by Strong Demand for Sweeteners in Food and Beverage (FMCG) Industry

The basis of product, the corn starch market can be segmented into native starch, modified starch and sweeteners. The sweeteners segment currently dominates with a share of over 50% in the global corn starch market. The market for starch derivatives & sweeteners dominated in 2016, with the largest share in terms of volume consumption. The spiralling use of high fructose corn syrup (HFCS) in a variety of foods and beverages is a factor that will keep the demand for corn starch based sweeteners high.

Basis application, the corn starch market is segmented into FMCG, Paper Industry, Pharmaceuticals, Textiles and others. In the recent years, the FMCG's food and beverages segment accounted for the highest share in the global corn starch market by application and is anticipated to continue to remain the leader during the next decade.

The growing consumption of convenience foods and the healthy year-on-year growth in the paper and textile industries are creating highly a fertile ground for the growth in corn starch sales in India. Consumers of corn starch are seeking alternatives to cane sugar that are cheaper yet seamlessly fit into various applications, which is translating into high demand for corn starch.

Additionally, Industrial starches are largely used as adhesives in paper and packaging material manufacturing, etc. There is an increase in the demand for the adhesive in the packaging industry, which is helping its growth.

Maize Starch Applications in India

- 1. FMCG :** The fast moving consumer goods (FMCG) segment is the fourth largest sector in the Indian economy. The market size of FMCG in India is estimated to grow from US\$ 30 billion in 2011 to US\$ 74 billion in 2018. Food products is the leading segment, accounting for 43 per cent of the overall market. Personal care (22 per cent) and fabric care (12 per cent) come next in terms of market share. India's market for fast moving consumer goods (FMCG) is expected to more than double to \$104 billion by 2020 from the present level of \$49 billion, as per Assocham-TechSci research report 2016. The sector is expected to grow at a compounded annual growth rate (CAGR) of 20.6 per cent, the report said.
- 2. Paper Industry :** Despite the continued focus on digitisation, India's demand for paper is expected to rise over 50 percent in the next six years, primarily due to a sustained increase in the number of school-going children in rural areas. Growing consumerism, modern retailing, rising literacy and the increasing use of documentation will keep demand for writing and printing paper buoyant. Though India's per capita consumption is quite low compared to global peers, things are looking up and demand is set to rise from the current 13 MMT to an estimated 20 MMT by 2020. This indicates there is a lot of headroom for growth in India. From demand point of view, every one kg incremental per capita consumption results in additional demand of more than one MMT a year.

ANNEXURE 'A' TO THE DIRECTORS' REPORT

In the last five years, the Indian paper sector has invested about ₹ 20,000 crore on capacity enhancement, technology upgradation and acquisitions. The sector is eager to expand capacity further.

3. **Textile Industry :** The Indian textiles industry, currently estimated at around US\$ 108 billion, is expected to reach US\$ 223 billion by 2021. The Indian Textile Industry contributes approximately 5 per cent to India's Gross Domestic Product (GDP), and 14 per cent to overall Index of Industrial Production (IIP).

The Indian textile industry has the potential to reach US\$ 500 billion in size according to a study by Wazir Advisors and PCI Xylenes & Polyester. The growth implies domestic sales to rise to US\$ 315 billion from currently US\$ 68 billion. At the same time, exports are implied to increase to US\$ 185 billion from approximately US\$ 41 billion currently.

Indian exports of locally made retail and lifestyle products grew at a compound annual growth rate (CAGR) of 10 percent from 2013 to 2016, mainly led by bedding, bath and home decor products and textiles.

The textiles sector has witnessed a spurt in investment during the last five years. The industry (including dyed and printed) attracted Foreign Direct Investment (FDI) worth US\$ 2.41 billion during April 2000 to December 2016.

4. **Pharma Industry :**

The Indian pharma industry, which is expected to grow over 15 per cent per annum between 2015 and 2020, will outperform the global pharma industry, which is set to grow at an annual rate of 5 per cent between the same period. The market is expected to grow to US\$ 55 billion by 2020, thereby emerging as the sixth largest pharmaceutical market globally by absolute size, as stated by Mr Arun K Singh, former Indian Ambassador to the US.

India has also maintained its lead over China in pharmaceutical exports with a year-on-year growth of 11.44 per cent to US\$ 12.91 billion in FY 2015-16, according to data from the Ministry of Commerce and Industry. In addition, Indian pharmaceutical exports are poised to grow between 8-10 per cent in FY 2016-17. Imports of pharmaceutical products rose marginally by 0.80 per cent year-on-year to US\$ 1,641.15 million.

Overall drug approvals given by the US Food and Drug Administration (USFDA) to Indian companies have

ANNEXURE 'A' TO THE DIRECTORS' REPORT

nearly doubled to 201 in FY 2015-16 from 109 in FY 2014-15. The country accounts for around 30 per cent (by volume) and about 10 per cent (value) in the US\$ 70-80 billion US generics market.

The Union Cabinet has given its nod for the amendment of the existing Foreign Direct Investment (FDI) policy in the pharmaceutical sector in order to allow FDI up to 100 per cent under the automatic route for manufacturing of medical devices subject to certain conditions.

The drugs and pharmaceuticals sector attracted cumulative FDI inflows worth US\$ 14.53 billion between April 2000 and December 2016, according to data released by the Department of Industrial Policy and Promotion (DIPP).

Current opportunity

We firmly believe that the buying decision has been influenced by superior product quality. We are confident that our products are better in quality and in prices.

Our vision is to establish Sukhjit as a company known for its values, assertiveness and the acumen to adapt to an ever-changing environment

We felt that in a transforming India, a new consumer was emerging.

A consumer willing to upgrade. Even an industry procurement head needing to be proud about what input is being used in his product. From a complete focus on manufacturing and native starch products, the company graduated to value added products recently. These products are marked by product innovation and differentiated pricing. We are working on long-term strategy to build capacities for high margin value added products while at the same time making short- term interventions

- We strengthened our portfolio by shedding businesses that did not meet our long-term financial objectives.
- We are changing the product mix and will focus more on higher-margin value added products
- We broadened our regional footprint. We are entering emerging regional geographies
- And, we aggressively managed our costs and capital.

This work allowed us to maintain our balanced approach to capital allocation, which is to invest about 75 percent of our annual cash flow in value-creating growth projects while deploying around 25 percent either for strategic M&A or for returning to shareholders in the form of dividends.

CREATING A ROBUST BUSINESS MODEL

The starch industry is one of the most challenging.

The sector is marked by diverse variables and low Industry barriers on the one hand and a growing need for sustained increase in stakeholder value on the other.

The number of variables are many. Fluctuating raw material costs, evolving consumer preferences. changing cost of funds, capital intensiveness, need for R & D, consistent quality control and MNCs entering the sector

At Sukhjit, we graduated to a business model that we believe is likely to generate multi- year growth across industry cycles, largely insulating the company's financials from external realities.

In a sector marked by scale, the company is still the third largest in production with focus on Balance Sheet. This perspective influenced the company's capital allocation, product mix and realizations strategy, virtually defining the

ANNEXURE 'A' TO THE DIRECTORS' REPORT

company's personality. As a result, the company has compromised peak margins in exchange for sustained margins, strengthening corporate stability and ideal for a capital-intensive business in a high cost economy

EVOLVING PRODUCT MIX : Over the years we have evolved our product mix. This evolution has helped the company enhance productivity, improving return on employed capital and return on equity.

GEOGRAPHIC COVERAGE : The company will gradually evolve its personality from a conventional commodity company into a value-added supplier

FISCAL CONSERVATISM : The company has selected to pursue an incremental model, preferring to plough back its accruals into asset building as against the conventional mobilization of large debt in building manufacturing scale. Over time, this preference for accrual-based investing has translated into a relatively small Balance Sheet and high interest cover in a traditionally working capital-intensive sector

Sukhjit is among the most competitive company in the Industry. This competitiveness has been derived from the ability of the company to procure abundant raw material around the best price-value proposition and competitive onward conversion into quality finished products.

The Company has developed an eco-system of cost-effective raw material providers, marked by high quality and consistency standards. All raw materials are tested before use.

Consolidation: We believe that the companies within the sector will focus more on expanding their core business and continuing to aggressively outgrow the competition. Today, it's all about building scale. We must defend our leading positions in some areas. In next 2-3 years of GST implementation, the un-organised players will create a new wave of growth for organized players like Sukhjit, by spinning off their businesses in early stages of consolidation. The top four players in the industry will own 20% to 30% of their market, as the industry consolidates rapidly in next 5 years. Major players will begin to emerge, buying up competitors and forming huge capacities for the new emerging growth.

KEY DIFFERENTIATORS

Customer Satisfaction : Sukhjit delights customers through product innovation and price innovation, enhancing consumer value.

Relationship Driven : Sukhjit relationship-driven approach is reflected in long-term associations with customers, vendors and employees.

"Ability is what you're capable of doing. Motivation determines what you do. Attitude determines how well you do it"

... Lou Holtz

OPPORTUNITIES

Your Company is strategizing itself to move towards a new niche portfolio of components that will not only drive our profitability but also support our plan for sustained growth in medium to long term. With immense support from the Government and foreign investments FY 2017-18 is expected to be driven by strong domestic demand from FMCG, FOOD AND PAPER sectors. Your company over the years has strategize itself to serve these industries through competitive edge with impacting its profitability.

ANNEXURE 'A' TO THE DIRECTORS' REPORT

The "Make in India" initiative of the Government coupled with the interest rate reduction cycle is expected to bring an economic revival and increase spending on infrastructure and related sectors. ANNEXURE 'A' TO THE DIRECTORS' REPORT

RISK FACTORS

Government policies, mandates, and regulations specifically affecting the agricultural sector and related industries; regulatory policies or matters that affect a variety of businesses; and political instability could adversely affect the Company's operating results.

Agricultural production and trade flows are subject to government policies, mandates, and regulations. Governmental policies affecting the agricultural industry, such as taxes, tariffs, duties, subsidies, incentives, foreign exchange rates, and import and export restrictions on agricultural commodities and commodity products, including policies related to genetically modified organisms, product safety and labeling, renewable fuels, and low carbon fuel mandates, can influence the planting of certain crops, the location and size of crop production, whether unprocessed or processed commodity products are traded, the volume and types of imports and exports, the availability and competitiveness of feed stocks as raw materials, the viability and volume of production of certain of the Company's products, and industry profitability.

Regulations of financial markets and instruments, including the Commodity Act, Consumer Protection Act besides the Market Infrastructure Regulation, create uncertainty and may lead to additional risks and costs, and could adversely affect the Company's agricultural commodity risk management practices. Future government policies may adversely affect the supply of, demand for, and prices of the Company's products; restrict the Company's ability to do business in its existing and target markets; and adversely affect the Company's revenues and operating results. The Company's operating results could be affected by changes in other governmental policies, mandates, and regulations including monetary, fiscal and environmental policies, laws, regulations, acquisition approvals, and other activities of governments, agencies, and similar organizations. These risks include but are not limited to changes in a country's or region's economic or political conditions, local labour conditions and regulations, reduced protection of intellectual property rights, changes in the regulatory or legal environment, restrictions on currency exchange activities, currency exchange fluctuations, burdensome taxes and tariffs, enforceability of legal agreements and judgments.

The Company's strategy involves expanding the volume and diversity of products it merchandises and processes, expanding the global reach of its core model, and expanding its value-added product portfolio. Government policies, including anti-trust and competition law, trade restrictions, food safety regulations, and other government regulations and mandates, can impact the Company's ability to execute this strategy successfully.

The Company is subject to industry-specific risks which could adversely affect the Company's operating results.

The Company's operating costs and the selling prices of certain finished products are sensitive to changes in energy prices. The Company's processing plants are powered principally by electricity and coal. The Company's transportation operations are dependent upon diesel fuel and other petroleum-based products. Significant increases in the cost of the items, including any consequences of regulation or taxation of greenhouse gases, could adversely affect the Company's production costs and operating results.

The Company is subject to economic downturns and regional economic volatilities, which could adversely affect the Company's operating results.

ANNEXURE 'A' TO THE DIRECTORS' REPORT

The Company conducts its business and has substantial assets located in many geographic areas counter-parts. In addition, emerging market areas could be subject to more volatile operating conditions including, but not limited to, logistics limitations or delays, labour-related challenges, limitations or regulations affecting trade flows (such as concerning genetically modified organisms), local currency concerns, and other economic and political instability. Political fiscal instability could generate intrusive regulations in emerging markets potentially creating unanticipated assessments of taxes, fees, etc. Economic downturns and volatile market conditions could adversely affect the Company's operating results and ability to execute its long-term business strategies, thus reducing the Company's overall market value.

Fluctuations in energy prices could adversely affect the Company's operating results.

The Company is subject to risks which include, but are not limited to, product safety or quality; shifting consumer preferences; central, state, and local regulations on manufacturing or labeling; socially acceptable farming practices; environmental, health and safety regulations; and customer product liability claims. The liability which could result from certain of these risks may not always be covered by, or could exceed liability insurance related to product liability and food safety matters maintained by the Company. In addition, negative publicity caused by product liability and food safety matters may damage the Company's reputation. The occurrence of any of the matters described above could adversely affect the Company's revenues and operating results.

Certain of the Company's merchandised commodities and finished products are used as ingredients in livestock and poultry feed. The Company is subject to risks associated with economic or other factors which may adversely affect the livestock and poultry businesses, including the outbreak of disease in livestock and poultry. An outbreak of disease could adversely affect demand for the Company's products used as ingredients in livestock and poultry feed. A decrease in demand for ingredients in livestock and poultry feed could adversely affect the Company's revenues and operating results.

The Company is exposed to potential business disruption, including but not limited to disruption of transportation services, supply of non-commodity raw materials used in its processing operations.

The Company's business is capital-intensive in nature and the Company relies on cash generated from its operations and external financing to fund its growth and ongoing capital needs. Limitations on access to external financing could adversely affect the Company's operating results.

ANNUAL REPORT ON THE CSR ACTIVITIES

The inclusion of the CSR mandate under the Companies Act, 2013 is an attempt to supplement the Government's efforts of equitably delivering the benefits of growth and to engage the Corporate World with the country's development agenda. The practice of CSR is not new to Sukhjit. Company's Corporate Social Responsibility (CSR) efforts in the last financial year have been concentrated on initiatives which contribute to nation building.

The Corporate Social responsibility (CSR) is a planned set of activities aiming to actively contribute to the social and economic development of the communities in which it operates. It endeavors to make a positive contribution to the communities by supporting a wide range of social, educational and health initiatives.

Your Company has an ongoing vibrant CSR program in line with its CSR Policy, of which some of the notable ongoing investments are in providing education and health care facilities to the socially and economically disadvantaged communities, scholarship programs & providing opportunities to youth from low income group families to provide coaching to meritorious students to pursue their graduate and post graduate studies.

It is the company's intent to make a positive difference to the society by conducting other CSR programs like providing infrastructural support, environment sustainability, rural development, eradicating hunger, help to draught hit farmers, preventive health care, caring old age homes, women empowerment and initiatives for physically & mentally challenged people etc.

The CSR activities being undertaken by the Company under its CSR policy mainly includes :

Education : The Company has promoted the establishment of various educational Institutions which, under its patronage have been running successfully.

- A Post Graduate College for women imparting quality education to over 2000 girl students with latest and "state of the art" Infrastructural facilities at the lowest possible cost with all concessions to the needy and poor students. The College has been accredited 'A' by NAAC, selected 'Star College in Life Sciences' by DBT, New Delhi, Government of India and awarded the status of College with Potential for Excellence by U.G.C., New Delhi.
- Seven other educational institutions including one B.Ed. college for women and six higher secondary schools imparting quality education to over 5000 students with due concessions / free education to all the students from economically backward and rural areas.
- Promoted an old age education centre called 'Foot Path' to impart necessary education to the old persons with workable computer knowledge.
- Contributing various educational Institutions /NGOs to promote education among the students belonging to economically weaker sections of the society.

Health & Safety : The company has joined hands with many organizations to promote health & safety of needy people and some of the contributions include :

- A Blood donor council which, besides, organizing blood donation awareness camps, donates free blood to Thalassaemia patients on a regular basis and at a concessional cost to the others with timely availability to meet the emergent needs.
- Bi-monthly free dental care camps with supplies of free dentures to the old people.

ANNEXURE 'D' TO THE DIRECTORS' REPORT

- Free eye care and operation camps for the needy and poor patients of the area on a regular basis.

INDEPENDENT AUDITORS' REPORT

To
The Members of
The Sukhjit Starch & Chemicals Limited
Phagwara

REPORT ON THE STANDALONE FINANCIAL STATEMENTS :

We have audited the attached standalone financial statements of The Sukhjit Starch & Chemicals Limited (the Company) as at March 31, 2017, which comprise the Balance Sheet, the Statement of Profit and Loss, the Cash Flow Statement and a summary of significant accounting policies and other explanatory information.

MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS :

The Company's Management is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ('the Act') with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

AUDITOR'S RESPONSIBILITY :

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

INDEPENDENT AUDITORS' REPORT

OPINION :

In our opinion and to the best of our information and according to explanations given to us, the aforesaid standalone financial statements, read together with significant accounting policies and notes forming part of accounts, give the information required by the companies Act, 2013 in the manner so required, and give a true and fair view in conformity with the accounting principles generally accepted in India:

- (i) In case of balance sheet, of the state of the affairs of the company as at 31st March 2017.
- (ii) In case of profit and loss Accounts, of the profit of the company for the year ended on that date.
- (iii) In the case of cash flow statement of the cash flow for the year ended on that date.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS :

1. As required by the companies (Auditor' s Report) order, 2016 (' the order') issued by the Central Government of India in terms of sub section (11) of section 143 of the Companies Act, 2013. We enclosed in Annexure A, statement on the matters specified in paragraphs 3 & 4 of the said order.
2. As required by section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Profit and Loss Statement, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
 - (e) On the basis of the written representations received from the directors as on March 31, 2017, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2017, from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our specific report in ' Annexure B' and
 - (g) With respect to the other matters to be included in the Auditor' s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The Company has disclosed the impact of pending litigations on its financial position in its financial statements as referred to in note to the financial statements.
 - (ii) The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, and as required on long-term contracts including derivative contracts.

INDEPENDENT AUDITORS' REPORT

ANNEXURE A TO THE AUDITORS' REPORT :

The Annexure referred to in our Independent Auditors' Report to the members of The Sukhjit Starch & Chemicals Limited on the standalone financial statements for the year ended 31st March 2017, we report that:

1. (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
(b) As per information given to us, the physical verification of fixed assets has been done by the management at reasonable intervals and no material discrepancies were noticed on such verification. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets.
(c) According to the information and explanations given to us and on the bases of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
2. The Company has conducted physical verification of stock of finished goods, stores, spare parts and raw materials at reasonable intervals. In our opinion, the frequency of verification is reasonable.
3. In our opinion and according to the information and explanation given to us, the Company has neither granted or taken any loans, secured or unsecured to or from the Companies, firms or other parties covered in the register maintained under section 189 of the Companies Act, 2013 ('the Act').
(a) Paragraph 3(iii)(a) of the Order is not applicable to the Company in respect of rate of Interest and other terms and conditions on which the loans had been granted to the bodies corporate listed in the register maintained under section 189 of the Act.
(b) Paragraph 3(iii)(b) of the Order is not applicable to the Company in respect of repayment of the principal amount.
(c) Paragraph 3(iii)(c) of the Order is not applicable to the Company in respect of amount overdue in respect of the loans granted to the bodies corporate listed in the register maintained under section 189 of the Act.
4. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of grant of loans, making investments and providing guarantees and securities, as applicable.
5. In our opinion and according to the information and explanations given to us, the company has complied with the directives issued by the Reserve Bank of India and the provisions of sections 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the rules framed there under with regard to the deposits accepted from public.
6. The Central Government has prescribed the maintenance of accounts and cost records under section 148(1) of the Act, which has been duly complied by the Company.
7. (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted / accrued in the books of account in respect of undisputed Statutory dues including Provident Fund, Income Tax, Sales Tax, Service Tax, Duty of Customs, Value Added Tax, Cess and other material Statutory dues have been regularly deposited during the year by the Company with the appropriate authorities. As explained to us, the Company did not have any dues on account of employees' state insurance and duty of excise.

INDEPENDENT AUDITORS' REPORT

According to the information and explanations given to us, no undisputed amounts payable in respect of Provident Fund, Income Tax, Sales Tax, Service Tax, Duty of Customs, Value Added Tax, Cess and other material Statutory dues were in arrears as at 31 March 2017 for a period of more than six months from the date they became payable.

- (b) The Company has disputed liabilities of ₹ 28.62 crores (not provided in the accounts), which mainly include Central Excise liability of ₹ 25.98 crores against sale of Maize Starch since 01.04.1997. The company has explained that the Excise department is alleging the clearance of Maize Starch as that of Modified Starch, so it is totally baseless and it does not foresee any liability to crystallize on this account. Other items concern a demand of ₹ 1.31 crores raised on sale made through the consignment agents of the company which is pending before the Assistant Commissioner. The company does not foresee any liability on this score as there is no valid / legal ground for the demand. ₹ 1.25 Crores wrongly levied for R&C measures by A.P. Northern Power Distribution Company Ltd., Nizamabad against exemption enjoyed by the unit, the matter is pending before the Hon'ble High Court of Andhra Pradesh and other Misc. Service tax demands due to difference in opinion.
8. In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of loans or borrowings to financial institutions, banks and government. The Company does not have any borrowings from debenture holders.
9. The term loans have been applied for the purpose for which they were obtained. The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments).
10. To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company or on the Company by its officers or employees has been noticed or reported during the year.
11. According to the information and explanations given to us and based on our examination of the records of the Company, the company has paid / provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.
12. The Company is not a Nidhi Company. Accordingly, paragraph 3(xii) of the Order is not applicable.
13. In our opinion and according to the information and explanations given to us, the Company is in compliance with Section 188 and 177 of the Companies Act, 2013, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable accounting standards.
14. During the year, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures.
15. In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its directors or persons connected with him and hence paragraph 3(xv) of the Order is not applicable.
16. The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

INDEPENDENT AUDITORS' REPORT

ANNEXURE B TO THE AUDITORS' REPORT :

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of The Sukhjit Starch & Chemicals Limited ("the Company") as of March 31, 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

INDEPENDENT AUDITORS' REPORT

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES ON STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2016

1. Figures for the previous year have been recasted/regrouped wherever necessary.
2. **Contingent Liabilities not provided for include :**
 - (i) **LCs / Bank Guarantees** issued for ₹ 331.38 lacs (Previous Year ₹ 350.33 lacs) in favour of West Bengal State Electricity Board & Himachal Pradesh State Electricity Board for power connection of Malda unit & Gurplah unit, Assistant Excise & Taxation Commissioner for VAT rebate, Commissioner of Customs / Jt. Director of Foreign Trade for the import of machinery under EPCG licence etc.
 - (ii) **Central Excise Duty** : Disputed Liabilities, not provided as expense in the accounts, comprise of ₹ 28.62 Crores. The amount mainly includes ₹25.98 Crores as disputed Central Excise Duty (excluding penalty and interest) demand raised by the Central Excise Department since 01/04/1997 alleging the sale of Maize Starch as that of Modified Starch. Since the matter is subjudice, the Department has continuously been issuing the show cause notices against the differential duty. However, pertinent to mention that the product has been repeatedly got tested by the Department from its Central Revenue Laboratory where it has been clearly held to be Maize Starch. So the demand is totally baseless and without any substance. The company has been manufacturing Maize Starch by following the standard Wet Milling Process for the last many decades and the product is sold and accepted by the market as Maize Starch, so the company does not foresee any liability to crystallize on this account. Other items related to a demand of ₹ 1.31 crores raised on sale made through the consignment agents of the Company which is pending before the Assistant Commissioner, ₹ 1.25 Crores wrongly levied for R&C measures by A.P. Northern Power Distribution Company Ltd., Nizamabad against exemption enjoyed by the unit, the matter is pending before the Hon'ble High Court of Andhra Pradesh and balance on account of other Misc. service tax demands due to difference of opinion.
 - (iii) Estimated value of contracts remaining to be executed on capital account and not provided for (net of Advances) : ₹ 2.75 Crores (Previous year ₹ 3.00 Crores)
 - (iv) Export obligation pending to be fulfilled is US\$ 11.32 lacs (Previous year US\$ 8.61 lacs) in next 6 years under EPCG scheme of the Central Government against import of capital goods at concessional rates. The company has achieved an export turnover of US\$ 10.94 lacs during the year under reference (Previous year US\$ 13.00 lacs).
3. National saving certificates of Rs. 0.08 lacs (Previous year Rs. 0.08 lacs) are pledged to the Govt. authorities as security.
4. Short term loans & advances include Rs. 316.42 lacs (Previous year Rs. 283.34 lacs) due from the subsidiary companies.

STATEMENT ON SIGNIFICANT ACCOUNTING POLICIES

1. METHOD OF ACCOUNTING

The company maintains its financial statements on accrual basis and in accordance with the historical cost convention, generally accepted accounting principles and applicable Accounting Standards as well as the relevant provisions of The Companies Act, 2013. However, certain escalations/claims which are not ascertainable or unacknowledged are accounted for on their being acknowledged/ materialized.

2. FIXED ASSETS

The fixed assets are accounted for at their original cost of acquisition and subsequent improvements thereto including duties, taxes, freight and incident charges relating to their acquisition and installation, Interest on borrowings for fixed assets acquisition and revenue expenditure incurred for the period prior to commercial production are considered as a part of the cost of assets.

3. LEASES

The operating lease where the company is a lessee and substantially all the risks and rewards of ownership are retained by the lessor, rentals are charged to the Profit & loss on a accrual basis.

4. DEPRECIATION

Depreciation on additions to Plant & Machinery has been provided on a straight line method and on other fixed assets on written down value, on the basis of estimated useful lives as specified in Schedule II to the Companies Act, 2013. Accordingly the unamortized carrying value is being depreciated / amortised over the revised/ remaining useful lives. Depreciation on assets added during the year has been provided on pro-rata basis with reference to the month of addition/installation.

5. IMPAIRMENT

Impairment loss, if any, is provided to the extent carrying cost of an asset exceeds its realizable value.

6. INVESTMENTS

Investments are valued at cost. Profit and loss are recognized as income or expenditure on their transfer. Long Term Investments are stated at cost less other than temporary diminution, if any, in value.

7. INVENTORIES

Raw Material, stores & spares, packing material, components, stock in process, finished goods and goods held for resale are valued at lower of cost and net realizable value. Bye products are valued at their net realisable value. The costs are, in general, determined on a weighted average basis. Due allowance is made for obsolete items, if any.

8. EMPLOYEE BENEFITS

- (i) Short term employee benefits are charged to the profit & loss account of the year in which the employee renders services. These benefits include Annual leave encashment, Ex-gratia etc.
- (ii) A defined contribution plan comprises contribution to Employees Provident fund, Employee Pension Scheme and Employee State Insurance which are deposited with the Government. These contributions are recognized as expense during the periods employees perform services.
- (iii) Defined benefit plans include gratuity which is determined on the basis of actuarial valuation at the end of the year and contributions are deposited with SBI Life Insurance Company Ltd. Under a separate trust, and charged to the Profit and loss account of the relevant year. Contributions to superannuation plan for certain category of employees (to provide an agreed benefit) are deposited with the life insurance corporation of India and charged to the profit and loss account on the same basis.

9. REVENUE RECOGNITION

- (i) The revenue is recognized when it can be reliably measured and reasonably expected to realize. Sales are inclusive of Excise duty wherever applicable.
- (ii) Dividend income is accounted for when the right to receive the payment is established.
- (iii) Interest income is recognized on time proportion basis taking into consideration the outstanding amount and the applicable rate of interest.

10. FOREIGN CURRENCY TRANSACTIONS

Foreign currency transactions relating to sale of goods are translated at the rates prevailing at the time of settlement of transactions. The transactions remain unsettled as on the balance sheet date are translated at the contracted rates (where applicable) or at the exchange rates prevailing at the end of the accounting year.

Any income or expenditure on account of exchange difference (on transaction) is recognized in the profit and loss account except Long term liabilities relating to the acquisition of fixed assets where they are adjusted to the cost of asset and depreciated over the balance life of the asset.

11. RESEARCH AND DEVELOPMENT EXPENDITURE

Revenue expenditure on research & development are charged off as and when incurred. However, the capital expenditure is considered as part of the fixed assets and depreciated on the same basis as other fixed assets.

12. TAXATION

- (i) Provision for current tax is made in the accounts on the basis of estimated tax liability as per the applicable provisions of Income Tax Act, 1961.
- (ii) Deferred tax for timing differences between tax profits and book profits is accounted for using the tax rates and laws that have been enacted or substantially enacted as of the Balance Sheet date. Deferred tax assets are recognized to the extent there is reasonable certainty that these assets can be realized in future.

13. GOVERNMENT GRANTS/SUBSIDIES

Grants in the nature of contribution towards capital cost of setting up projects are deducted from actual cost of the assets. However, grants or subsidies relating to an expense item is recognized as income over the periods necessary to match them to the costs, which it is intended to compensate.

14. BORROWING COSTS

Borrowing costs directly attributable to the acquisition of qualifying assets are capitalized as a part of the cost of assets till the date of commencement of commercial use of the asset. All other borrowing costs are charged to the Profit & Loss Account of the period in which they are incurred.

15. PROVISIONS/CONTINGENCIES

Provision is recognized when there is a present obligation as a result of a past event and it is probable that the outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Contingent liabilities are not recognized and are disclosed by way of Notes on financial statements.

REPORT ON THE CONSOLIDATED FINANCIAL STATEMENTS

We have audited the attached Consolidated financial statements of The Sukhjit Starch & Chemicals Limited (the Company) as at March 31, 2017, which comprise the Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement and a summary of significant accounting policies and other explanatory information.

MANAGEMENT'S RESPONSIBILITY FOR THE CONSOLIDATED FINANCIAL STATEMENTS

The Company's Management is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatements. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the

INDEPENDENT AUDITORS' REPORT

operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

OPINION

In our opinion and to the best of our information and according to explanations given to us, the aforesaid consolidated financial statements, read together with significant accounting policies and notes forming part of accounts, give the information required by the companies Act, 2013 in the manner so required, and give a true and fair view in conformity with the accounting principles generally accepted in India:

- (i) In case of consolidated balance sheet, of the state of the affairs of the company as at 31st March 2017.
- (ii) In case of consolidated profit and loss Accounts, of the profit of the company for the year ended on the date.
- (iii) In the case of consolidated cash flow statement, of the cash flow for the year ended on that date.

We did not audit the financial statements of subsidiaries, whose financial statements reflect total assets and Revenue from operations as follows as on 31st March, 2017.

Subsidiary Company	Total Assets (in Lacs)	Revenue from Operations (in Lacs)
The Vijoy Steel & General Mills Co. Ltd.	82.08	68.87
Scott Industries Ltd.	179.06	–
Sukhjit Mega Food Park & Infra Ltd.	106.73	–

We report that the consolidated financial statements have been prepared by the Company in accordance with the requirements of Accounting Standard 21-Consolidated Financial Statements issued by the ICAI and on the basis of the separate audited financial statements of the Sukhjit Starch & Chemicals Limited and its subsidiaries included in the Consolidated Financial Statements.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Consolidated Balance Sheet, the Consolidated Profit and Loss Statement, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the books of account.

INDEPENDENT AUDITORS' REPORT

- (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
- (e) On the basis of the written representations received from the directors as on March 31, 2017, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2017, from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our specific report in 'Annexure A' and
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The Company has disclosed the impact of pending litigations on its financial position in its consolidated financial statements as referred to in note to the consolidated financial statements.
 - (ii) The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, and as required on long-term contracts including derivative contracts.

ANNEXURE A TO THE AUDITOR'S REPORT

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of The Sukhjit Starch & Chemicals Limited ("the Company") as of March 31, 2017 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

INDEPENDENT AUDITORS' REPORT

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3)

INDEPENDENT AUDITORS' REPORT

provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, to the best of our information and according to the explanations given to us, the Holding Company and its subsidiary companies, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2017

1. Figures for the previous year have been recast / regrouped wherever necessary.
2. Contingent Liabilities not provided for include :
 - (a) **LCs / Bank Guarantees** issued for ₹ 331.38 lacs (Previous Year ₹ 350.33 lacs) in favour of West Bengal State Electricity Board & Himachal Pradesh State Electricity Board for power connection of Malda unit & Gurplah unit, Assistant Excise & Taxation Commissioner for VAT rebate, Commissioner of Customs / Jt. Director of Foreign Trade for the import of machinery under EPCG licence etc
 - (b) **Central Excise Duty** Disputed Liabilities, not provided as expense in the accounts, comprise of Rs. 28.62 Crores. The amount mainly includes ₹ 25.98 Crores as disputed Central Excise Duty (excluding penalty and interest) demand raised by the Central Excise Department since 01/04/1997 alleging the sale of Maize Starch as that of Modified Starch. Since the matter is subjudice, the Department has continuously been issuing the show cause notices against the differential duty. However, pertinent to mention that the product has been repeatedly got tested by the Department from its Central Revenue Laboratory where it has been clearly held to be Maize Starch. So the demand is totally baseless and without any substance. The company has been manufacturing Maize Starch by following the standard Wet Milling Process for the last many decades and the product is sold and accepted by the market as Maize Starch, so the company does not foresee any liability to crystallize on this account. Other items related to a demand of ₹ 1.31 crores raised on sale made through the consignment agents of the Company which is pending before the Assistant Commissioner, ₹ 1.25 Crores wrongly levied for R&C measures by A.P. Northern Power Distribution Company Ltd., Nizamabad against exemption enjoyed by the unit, the matter is pending before the Hon'ble High Court of Andhra Pradesh and balance on account of other Misc. service tax demands due to difference of opinion.
 - (c) Estimated value of contracts remaining to be executed on capital account and not provided for (net of Advances) : ₹ 2.75 Crores (Previous year ₹ 6.70 Crores)
 - (d) Export obligation pending to be fulfilled is US\$ 11.32 lacs (Previous year US\$ 8.81 lacs) in next 6 years under EPCG scheme of the Central Government against import of capital goods at concessional rates. The company has achieved an export turnover of US\$ 10.94 lacs during the year under reference (Previous year US\$ 13.00 lacs).

3. Earnings per share :	Current Year	Previous Year

STATEMENT ON SIGNIFICANT ACCOUNTING POLICIES

1. METHOD OF ACCOUNTING

The company maintains its financial statements on accrual basis and in accordance with the historical cost convention, generally accepted accounting principles and applicable Accounting Standards as well as the relevant provisions of The Companies Act, 2013. However, certain escalations/claims which are not ascertainable or unacknowledged are accounted for on their being acknowledged/ materialized.

2. FIXED ASSETS

The fixed assets are accounted for at their original cost of acquisition and subsequent improvements thereto including duties, taxes, freight and incident charges relating to their acquisition and installation, Interest on borrowings for fixed assets acquisition and revenue expenditure incurred for the period prior to commercial production are considered as a part of the cost of assets.

3. LEASES

The operating lease where the company is a lessee and substantially all the risks and rewards of ownership are retained by the lessor, rentals are charged to the Profit & loss on a accrual basis.

4. DEPRECIATION

Depreciation on additions to Plant & Machinery has been provided on a straight line method and on other fixed assets on written down value, on the basis of estimated useful lives as specified in Schedule II to the Companies Act, 2013. Accordingly the unamortized carrying value is being depreciated / amortised over the revised/ remaining useful lives. Depreciation on assets added during the year has been provided on pro-rata basis with reference to the month of addition/installation.

5. IMPAIRMENT

Impairment loss, if any, is provided to the extent carrying cost of an asset exceeds its realizable value.

6. INVESTMENTS

Investments are valued at cost. Profit and loss are recognized as income or expenditure on their transfer. Long Term Investments are stated at cost less other than temporary diminution, if any, in value.

7. INVENTORIES

Raw Material, stores & spares, packing material, components, stock in process, finished goods and goods held for resale are valued at lower of cost and net realizable value. Bye products are valued at their net realisable value. The costs are, in general, determined on a weighted average basis. Due allowance is made for obsolete items, if any.

8. EMPLOYEE BENEFITS

- (i) Short term employee benefits are charged to the profit & loss account of the year in which the employee renders services. These benefits include Annual leave encashment, Ex-gratia etc.
- (ii) A defined contribution plan comprises contribution to Employees Provident fund, Employee Pension Scheme and Employee State Insurance which are deposited with the Government. These contributions are recognized as expense during the periods employees perform services.
- (iii) Defined benefit plans include gratuity which is determined on the basis of actuarial valuation at the end of the year and contributions are deposited with SBI Life Insurance Company Ltd. Under a separate trust, and charged to the Profit and loss account of the relevant year. Contributions to superannuation plan for certain category of employees (to provide an agreed benefit) are deposited with the life insurance corporation of India and charged to the profit and loss account on the same basis.

9. REVENUE RECOGNITION

- (i) The revenue is recognized when it can be reliably measured and reasonably expected to realize. Sales are inclusive of Excise duty wherever applicable.
- (ii) Dividend income is accounted for when the right to receive the payment is established.
- (iii) Interest income is recognized on time proportion basis taking into consideration the outstanding amount and the applicable rate of interest.

10. FOREIGN CURRENCY TRANSACTIONS

Foreign currency transactions relating to sale of goods are translated at the rates prevailing at the time of settlement of transactions. The transactions remaining unsettled as on the balance sheet date are translated at the contracted rates (where applicable) or at the exchange rates prevailing at the end of the accounting year.

Any income or expenditure on account of exchange difference (on transaction) is recognized in the profit and loss account except Long term liabilities relating to the acquisition of fixed assets where they are adjusted to the cost of asset and depreciated over the balance life of the asset.

11. RESEARCH AND DEVELOPMENT EXPENDITURE

Revenue expenditure on research & development are charged off as and when incurred. However, the capital expenditure is considered as part of the fixed assets and depreciated on the same basis as other fixed assets.

12. TAXATION

- (i) Provision for current tax is made in the accounts on the basis of estimated tax liability as per the applicable provisions of Income Tax Act, 1961.
- (ii) Deferred tax for timing differences between tax profits and book profits is accounted for using the tax rates and laws that have been enacted or substantially enacted as of the Balance Sheet date. Deferred tax assets are recognized to the extent there is reasonable certainty that these assets can be realized in future.

13. GOVERNMENT GRANTS/SUBSIDIES

Grants in the nature of contribution towards capital cost of setting up projects are treated as capital reserve. However, grants or subsidies relating to an expense item is recognized as income over the periods necessary to match them to the costs, which it is intended to compensate.

14. BORROWING COSTS

Borrowing costs directly attributable to the acquisition of qualifying assets are capitalized as a part of the cost of assets till the date of commencement of commercial use of the asset. All other borrowing costs are charged to the Profit & Loss Account of the period in which they are incurred.

15. PROVISIONS/CONTINGENCIES

Provision is recognized when there is a present obligation as a result of a past event and it is probable that the outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Contingent liabilities are not recognized and are disclosed by way of Notes on financial statements.
